50 State Records Fall at 27th Annual Masters State Championships

By Skip Thompson

More than 250 swimmers turned up at the new Oakland University Aquatic Center facility during the weekend of April 9-11 to participate in the 27th Annual Michigan Masters Swimming State Championships. 50 State and 3 USMS National Records were set in individual events among 27 teams competing in the annual classic.

Several great swims from four people that are current USMS national record holders helped motivate others throughout the meet. Sheila Taormina, 30, (1996 Olympic Gold Medalist in the 800 Free Relay) set 5 State Records in all 5 events she swam in the 30-34 age group. Joe Tristan, 23, fresh off placing 14th in the US Open and setting a USMS National Record in the Long Course 100 Free (51.81) set 4 State Records. Michael Green, 35, the current 200 IM SCM USMS National Record Holder, set four State Records as well and just missed a fifth. And last but not least, Jewell Cooke set 3 State Records and 3 USMS National Records in the 90-94 age group being the only swimmer in the meet to set USMS records.

The South Oakland Seals won their 11th straight Large Team Combined Championship, and effectively swept the decade of the 90's. It was the team's 13th overall title in their 26-year history. Ford Athletic Swim & Triathlon Club (FAST) won the Small Team Women's Championship and the Small Team Combined Team Championship for their first titles in their team history. Battle Creek YMCA (BCYM) won the Men's Small Team Championship, which was the fourth non-combined title in a row over the past 4 years. Fourteen swimmers won a maximum of 7 individual events (9 Women and 5 Men).

Let's review what the Women accomplished. As mentioned earlier, Sheila Taormina set 5 State Records in the 30-34 age group in the 200 Free (1:53.40), 500 Free (5:06.27), 1000

Free (10:32.11), 200 IM 2:11.49 and the 400 IM (4:44.10). The 200 and 1000 Free times would have won the 1999 USMS Nationals, based on results published recently. Sue Cahill, 35-39 age group, won all 7 of her events and set State Records in the 1000 Free (11:06.84), 100 Fly (1:03.89), and the 200 IM (2:18.38). This was Sue's third straight high point win. Marilyn Early won 7 events and set a record in the 1000 Free (12:43.79). Barb Bos, 50-54 age group, won all 7 of her events and set 5 State Records in the 100 Free (1:07.54), 200 Free (2:26.12), 500 Free (6:29.90), 1000 Free (13:20.91) and the 1650 Free (22:20.05). Joyce Kowalski, 55-59 age group, won all 7 of her events. Ida Smith, 65-69 age group, won all 7 of her events and set 3 State Records in the 50 Breast (45.46), 100 Breast (1:41.10), and the 200 Breast (3:50.73).

Beverly Myers, 60-64 age group, and Mary Fran Williams, 65-69 age group, won all 7 of their events and each collected their third straight high point win. Lois Nochman, 70-74 age group, won all 7 of her events and can't wait until next November to start setting USMS Records in Short Course Yards. So far this year, Lois has set 7 USMS National and World Records in meets in the 75-79 age group. Merlyn Ewbank, 75-79 age group, won 3 events to take the high point win. Edith Glusac, 80-84 age group, and 1999 Lawrence Award winner, won all 7 of her events and set 4 State Records. Jewell Cooke, 90-94 age group, set 3 National Records in the 50 Breast (1:31.63), 100 Fly (3:26.50), and the 100 IM (2:55.27). For the past 6 months Jewell has set 11 USMS National Records and 6 World Records. This marks quite an outstanding accomplishment for any individual in any age group.

Beginning with the Men, the largest fall of State Records occurred in the 19-24 age group, in which 8 State Records were broken. As mentioned earlier, Joe Tristan set State Records in the 100 Free (46.00), 200 Free (1:42.21), 200 Back (1:54.35), and the 100 Fly (51.30). Mark Gole set State Records in the 50 and 100 Backstrokes with times of (24.18) and (52.41) respectively. Raffi Karapetian (the only swimmer in Michigan High School history to win 4 straight 50 Free titles) set State Records in the 50 Breast (27.44), 100 IM (53.91), and just missed the 50 Free with an outstanding time of (21.19). All these times in the 19-24 age group would have won the 1999 USMS Nationals except the 100 Breast and 100 Yard IM. Even with all these outstanding swims, James Collins still managed to win the high point award in the age group. The Oakland Aquatic Men's Free Relay just missed a USMS National mark by less than a tenth of a second.

Steven Gombai, 28, won all 7 of his events and took his second high point win in 3 years. Eric Fernando, 30, won his first high point in the 30-34 age group. Michael Green, 35, set 4 State Records in the 100 Free (48.19), 200 Back (2:08.13), 100 IM (56.16), and the 200 IM (2:01.99). Mike Schmitz, 40, won 5 events and set State Records in the 50 Free (22.58) and the 100 IM (58.65), however, Lorne Zuefle and Dan Burke tied for the high point win in the 40-44 age group. Tim Clayson, 45, set a State Record in the 100 IM (1:01.59) and Frank Thompson, 47, won 5 events and won his third straight high point in the 45-49 age group. Gaard Arneson, 50, won all 7 events he entered and set 5 State Records in the 200 Free (2:04.18), 500 Free (5:32.94), 1000 Free (11:21.14), 1650 Free (19:04.53), and the 400 IM (5:12.17). Erik Lokensgard, 56, won 5 events and won the 55-59 age group. David Diget, 60, won all 7 he entered and set 3 State Records in the 100 Free (1:57.99), 100 Back (1:08.23), and the 100 IM (1:06.03). Elmer Egelkraut, 65, won 6 out of 7 events entered to take the 65-69 age group high point win.

With regard to the next two age groups there were ties for the high point title. In the 70-74 age group, Don Korten (1999 Chetrick Award winner) and John Reese tied; each winning 3 events. Charles Moss, 70, set a State Record in the 100 Breast (1:33.83). In the 75-79 age group, Bob Doud, 75, and Elmer Frost, 76, won 6 out of seven events to tie for high point honor. Harry Class, 83, won all 7 of his events to take the 80-84 age group.

Many thanks go out to the South Oakland Seals and the Oakland University Rec Staff for the planning and execution of the meet. One can't say enough about the record-breaking manner in which George Newman and Ken Shively conducted the meet. A thank you also goes out to the 250 dedicated and enthusiastic swimmers that swam in the first ever masters meet conducted in the new Oakland Aquatic Center facility.

1999 Chetrick & Lawrence Award Winners

By Skip Thompson

Don Korten and Edith Glusac, winners of the 1999 Chetrick and Lawrence Awards respectively.

Every year Michigan Masters Swimming gives two special awards presented at the State Championship Meet. The Lawrence Award is given annually to those who have achieved outstanding performances in masters swimming representing Michigan Masters.

This year's Lawrence Award recipient was Edith Glusac. Edith started swimming competitively in Masters Swimming in the Fall of 1990 and had not swam competitively since 1937. During her 40 years of teaching and administrating in the Detroit Public School System, she put most of her energy into teaching and coaching swimming.

In 1990, she took a water aerobics class and found it too dull. After finishing a 50-meter swim and feeling good, she decided to compete and swam her first meet in January 1991, hosted by the Fraser Flying Fish Swim Club. She's been involved in Masters Swimming and Senior Olympics ever since. Edith currently swims for the South Oakland Seals, in customary Masters meets, and the Plymouth YMCA in YMCA National Competitions.

Since 1991, Edith has won 55 individual State Championships and 32 individual YMCA National Championships. In 1994, aging up to the

(Continued on page 4)

(Continued from page 3)

75-79 age group, Edith won the 100 Yard Breast at the Short Course National Meet in Tempe, Arizona, and also won the High Point Award for Michigan Masters Women. That same year, she won all 7 of her events at the YMCA Nationals and set National YMCA records in the 50 and 100-Yard Backstroke. In 1996, Edith made the USMS All American Team in the 100 Yard Breast in the 75-79 age group. That same year, she also made it in the SCM 400 IM. To become an All-American, a person has to swim the fastest time in the nation for that year.

At the end of 1998, Edith had made the USMS National Top Ten 120 times and the FINA World Top Ten 26 times. She won the 1997 Pan Pacific 200 IM championship in Maui, Hawaii, a very prestigious international event. Edith has also been a USMS Relay Team All-American 4 times (1992, 1994, 1995, and 1998). The 1994 relay swim was a 200 Mixed Medley Relay that resulted in a USMS National Record. To date, Edith has 39 active State Records.

Since aging up to the 80-84 age group this year, Edith shows no signs of slowing down. At the recent YMCA Nationals she won all 8 of her events and at 1999 Canadian Nationals nearly did the same thing; winning all 7 events she entered. Great swimming Edith, and good luck in the future.

The Chetrick Award is the other award given annually to those who have given outstanding service and/or best exemplify the spirit and commitment to Michigan Masters Swimming. This year's Chetrick Award recipient was Don Korten.

Don had not swum competitively since 1950, when he was a member

of the Michigan State University Men's swim team where he lettered all four years. He was a 1948 Central College Association 150-Yard Backstroke National Champion. Don began swimming masters competitively in 1989 for the Battle Creek YMCA and became Coach/Team Rep shortly after joining the team. Battle Creek YMCA has been very competitive at State level for the past 11 years resulting in being 1994 Small Team Combined State Champions and placing 2nd seven times. This past year, Battle Creek won their 4th non-combined title in a row (1996 Large Team Men, 1997 Small Team Women, 1998 Small Team Women, and 1999 Small Team Men).

Don served as Treasurer of Michigan Masters Swimming from 1994 to 1997, including duties as 1996 USMS Long Course National Meet Treasurer. He has also helped in coordinating relays at National swim meets.

Don's swimming accomplishments include winning 50 individual State Championships and 22 individual YMCA National Championships. In 1992/1993, in the 65-69 age group, he set YMCA National records in the 500 and 1000-Yard Freestyles. In 1997, in the 70-74 age group, he set a YMCA National record in the 1000 Yard Freestyle.

He has been Michigan Masters Men's High Point winner at the YMCA National Meet 4 times (1992, 1996, 1997, and 1998). At the end of 1998, Don had made the USMS National Top Ten 77 times and the FINA World Top Ten 12 times. He has been a USMS Relay Team All American twice (1994 and 1997). To date, Don has 21 active State Records.

Election: Great Lakes Zone Representative

By Thomas N. Tripp

At the 1999 USMS Convention in San Diego this September we will elect a Zone Representative for the Great Lakes Zone. This election is for a 2 year term. USMS, as a volunteer organization, is founded upon the premise of member participation and we want to keep open an opportunity for new people to take positions of responsibility and authority to keep us fresh.

It is not necessary for people who would seek this position to attend the convention, and although that might be preferable, it is understood that traveling to San Diego consists of some significant expense and time away from work and home. For this reason, we will be accepting written nominations and statements of candidacy from all LMSCs and clubs, and from individuals within the zone. We would ask that credentials, qualifications, experience and a short statement of the reasons an individual would seek to be elected to the position of Zone Representative be included in any written nominations. Self-nomination is encouraged.

Although it is not necessary to be in attendance at the USMS Convention to be considered for election, those who wish to be considered for the position who do plan to attend should also submit written information for distribution to attendees at the convention. Those who attend the convention from our zone are the people who vote on the Zone Rep during the convention week. We would ask that your LMSC, or any individuals within it, submit applications for nominations to me at the address below. There is no form for seeking the nomination, simply have the interested people submit whatever information is relevant as suggested above.

The position of Zone Rep includes, at various times and at various levels of effort, the following activities, responsibilities, etc.:

1. Administrative work to to comply with USMS requirements and improve USMS activities for the Masters swimming community.
2. Attendance at the USMS Convention each year, the expense of which is paid for by the member LMSCs in the Great Lakes Zone
3. Maintaining the fiscal/financial integrity of zone finances (with the zone treasurer).
4. Dissemination of information from USMS to the LMSCs and vice-versa
5. Assistance in providing USMS coach's clinics within the zone.
6. Assistance in soliciting USMS national championships, SC, SCM, LC, postal and long distance events foe venues within the zone.
7. Assistance in supplying information for web sites for LMSCs, clubs, meets etc.
8. Maintenance of zone records.
9. Activities as member of the USMS zone committee which has various functions as described in the USMS Rule Book.
10. Other matters, obligations, ideas as they arise, such as organizing zone postal meets, zone awards, fitness events or activities, USMS membership drives, USMS organization support, a potential zone newsletter, etc.

The operating expenses of the zone rep are fully supported by the zone treasury. Telephone, postage, support materials and basic travel expenses to the USMS convention are costs which are reimburse by the zone. Discretionary expenses are also considered but must be pre-approved, such as travel expenses to a zone meet. etc.

If anyone has any additional questions or would like more information on the duties of the Zone Representative, please contact me at the address, e-mail address, and phone numbers below.
