2001 Michigan Masters Swimming State Championships

This year marks the 29th Annual Michigan Masters Swimming State Championships hosted for the second occasion at the fabulous Holland Community Aquatic Center in Holland, Michigan.

Dutch Masters Swim Team and Holland Community Aquatic Center, as host organizations, look forward to an exciting and well organized swim weekend scheduled for March 23-25, 2001.

When you visit Holland you'll be greeted by the old-world charm of the Netherlands in a thriving, modern community.

Downtown Holland is listed on the National Register of Historic Places and is the home of more than 100 specialty shops, restaurants and galleries. Charming Dutch architecture is scattered throughout the streets, but most awe-inspiring is "DeZwaan" on Windmill Island. More than 230 years old and twelve stories high, this graceful giant is the only authentic Dutch windmill operating in the United States.

Be sure to make your reservations early to secure a place close to the Aquatic Center. As last year's participants will agree, this facility is perhaps the finest indoor aquatic complex in Michigan.

Complete meet flyer and details are enclosed in this newsletter.

Elections/Appointments

At the State Meet every odd year, we elect Officers and Board Members. This is the year we will do that at our Annual Meeting, which is held during the Saturday break at noon.

The positions that will be filled are: President-Elect, who serves in that position for 2 years and then moves up to President for another 2 years; Secretary, who takes minutes at Board Meetings and reviews by-laws; Treasurer, who is responsible for budget, disbursements, and financial record keeping; Sanctions Officer, who reviews applications/conduct for our meets; and Registrar, who does all the paperwork so that we can officially swim at meets. The Review Committee is elected in even years. There are several appointed positions: Newsletter Editor; Top Ten/Records Chair; Officials Chair; Safety Chair; Open Water/Long Distance Chair; and Webmaster.

The current individuals in these positions, either elected or appointed, have worked very hard, many for several years. I'd like to thank them all for their contributions to the organization: Eric Nordlund, past President; Skip Thompson, Secretary; Ralph Davis, Treasurer; Andrea Funk and Barb Bos, Sanctions; Bob Isbister and Jim Coleman, Registrar; Dennis McManus, Newsletter; Paul

Wright, Top Ten/Records; Mary Fran Williams, Fitness; George Neuman, Officials; Marilyn Early, Open Water/Long Distance; Ken Gutowski and Milton French, Webmaster; Charlie Moss, Review Committee Chair.

I hope that some of you, as well, will consider running for an office or getting involved with some aspect of Michigan Masters as a volunteer. This is your organization! It can always use more good help and special expertise.

Performance, Service, and Special Awards

The annual Best Swimmer (Lawrence) and Service to Michigan Masters (Chetrick) award, and special recognition to swimmers who have overcome adversity (Lynne) awards will also be presented at the State Meet. Please nominate any viable candidates for these awards and call me or e-mail your recommendations.

United States Aquatic Sports Convention, September 2001, Dearborn, MI.

Early this September, the state of Michigan will host the U. S. Aquatic Sports Convention, including the disciplines of USA Swimming, USA Diving, USA Synchronized Swimming, USA Water Polo, and United States Masters Swimming, at the Dearborn Hyatt Regency Hotel. One of our responsibilities is to replenish the snacks and refreshments that all

the 250 hungry and thirsty USMS delegates will consume in the Michigan "Hospitality Suite." Edith Glusac and her "girls" have volunteered for daily hosting and replenishing. We also are responsible for planning and hosting a Friday night party for all the USMS delegates. We are hoping that some of you may have a gift for putting on such a party, and will step forward to help plan such an event. It will be really great fun with good swimming people for all over the nation.

Thanks to our Meet Directors

I want to also thank the Meet Directors for their hard work and support of Michigan Masters over the past several years: Marilyn Early in Harbor Springs; Don Kroeger in Monroe; Bob Crosby at West Bloomfield; Gail Dummer at DeWitt; Paul Wright at Brighton; Ken Danhof at Rockford; Charlie Moss in Midland; Pat Lilley in Ann Arbor (the UM Meet will now be named after Charlie Moss); Wally Dobler at MSU, and Skip Thompson for his summer meets in Ann Arbor and Dearborn; and Fred Nelis in Holland. I hope when you see these people you'll thank these great volunteers for their devotion to Michigan Masters swimming.

That's all folks! Hope you did the Postal One Hour Swim or have finished the February Fitness Challenge. Otherwise, see you in the pool at West Bloomfield, Midland and Holland.

From the Registrar

Registrar - Jim Coleman

About me:

Hi, I'm your registrar. I've been swimming since High School and College. After several years away from swimming, I discovered Michigan Masters in 1983 and have been swimming ever since - sometimes competing, sometimes not - but always enjoying the feeling I get swimming. (probably sounds familiar to many) Soooooo, I finally decided to do something to help out - I ran for Registrar.

Report:

We had 644 swimmers registered for 2000.

We started registrations for 2001 on November 1, 2000, and we are

slightly ahead of last year's pace.

Now that I've been doing the job for several months, I'd like to share some things you can do to facilitate my job:

1. Fill out your applications completely and legibly. The computer requires that I have birth date, age, sex, etc. Also I need to be able to spell the name and address accurately.

2. Determine and use the correct acronym or name of your swim group (SOS, FAST, BCYM, etc.) where the application asks for "club or unattached" - write unattached if applicable. This is the group you plan to represent at the State Meet - or you will have to request a change in writ-

ing. If left blank, I will assume "unattached".

3. Let me know where and when you swim - the National (USMS) forwards requests for "places to swim" to me. I've started a file for the major clubs, but if you're working out on your own, share your information with me - you may even get company. Also, clubs are encouraged to update their websites with a name, phone, e-mail of a current contact and where you swim.

Feel free to contact me by e-mail, phone, or snail mail.

Good swimming - See you all at Holland!

Thanks, Jim Coleman, Registrar.

The other pool, a 6-lane 25-yard course, will be available for warm-up/cool down during distance events. Swimmers must enter the water feet first in a cautious manner during all warm-ups/cool downs. 2001 YMCA Masters
National Championships

The YMCA National Short Course Championships are being hosted this year by Sarasota YMCA Sharks Swim Team at the Selby Aquatic Center in Sarasota, Florida, the weekend of April 26-29, 2001.

YMCA memberships are \$46 per year at the Plymouth YMCA and \$20 for seniors over 62 years old. Many people are already members and they just have to re-new.

Entry forms will be available at all future meets with the pertinent information to participate. Anyone who would like to swim in the YMCA Nationals, not already affiliated with a current YMCA team, should contact Frank "Skip" Thompson at (248) 683-2192 as soon as possible.

Due to the particular team method the YMCA utilizes, which differs considerably from USMS, all participants from a local Y must enter as a complete team. Therefore, Skip will coordinate participant entries as he has done in previous years to accomplish this task for the Plymouth YMCA.

The team entry deadline to submit entries is prior to April 4, 2001. As a consequence, all entries and fees must be in Skip's hands at least one week prior to this date. In other words, March 28, 2001.

Skip has indicated, for those who may not be able to obtain an application, he will take requests by phone and mail entry information to those interested in attending. Remember, however, time is of the essence.

Thank You - Coach of the Year Award

I would like to take this time to thank the Michigan Masters LMSC, South Oakland Seals, Plymouth YMCA, and all of the Michigan Masters swimmers that I have been in contact with either coaching, swimming participation, and voluntary contributing to our great sport of swimming. Without all of the swimmers, this award could not be possible.

There have been so many people that have influenced me, helped me, and been responsible for this award that I am not going to name any for fear of leaving someone off. At the 2000 USAS convention I truly enjoyed the experience of being the first person to receive this award in front of all the swimming delegations, coinciding with an Olympic year, and being on the same stage as some of our great Olympians. It was great to share this with 6 of my Michigan Masters teammates (Eric, Jennifer, Dennis, Ralph, Don, and Gail) in attendance at awards presentation.

This award is the culmination of all the time I have spent in Masters swimming. I have truly enjoyed my coaching and contributing, while being able to swim myself. Its great to see Masters swimming have such a positive effect on the lives of so many people. I am truly grateful for the opportunities that Masters swimming has afforded me and the positive effect it has had on my life.

Thanks again,
Frank "Skip" Thompson

Summary of the Major Changes to the USMS Rules of Competition Effective January 1, 2001

1. The specific rule governing the backstroke start for meets held in short course yard venues has been removed and the rule currently used in meter venues will govern all backstroke starts. Specifically, the feet must be below the surface of the water and the toes cannot be curled over the lip of the gutter. The rule now conforms with USA-Swimming rules with respect to the placement of the feet.
2. Clarification has been given with respect to the use of the breaststroke kick in the butterfly. If the breaststroke kick is used, it must alternate with the armstroke. Additional dolphin kicks are still permitted between breaststroke kicks.
3. Diving from the edge of the pool is permitted while running a "sprint Lane" during warm-up.
4. Requests for initial splits can now be made up to the end of the meet for all events except backstroke and relay lead-off times. The request for the backstroke and relay lead-off splits must be made prior to the swim in order to insure a legal touch has been made and that the second swimmer has not started in the water respectively. These times may be used for all purposes.
5. The requirement for using an open palm to signal a disqualification has been removed by USA-Swimming. The hand must still be raised however.

REMINDER
