## Michigan Masters Swimming State Championships

**T**his year marks the 30th Annual Michigan Masters Swimming State Championships hosted on this occasion at the Michael H. Jones Natatorium of Eastern Michigan University, Ypsilanti, Michigan.

Eastern Michigan University and South Oakland Seals Swim Team, as host organizations, look forward to an exciting weekend and well organized event for both participants and spectators alike scheduled for April 12-14, 2002.

This will be the fourth Michigan Masters State Championships held at the EMU facilities. For those new to this venue, we recommend bringing a swim bag sufficient to hold all clothing and footwear items on deck due to limited locker facilities. As many of you know, this pool is determined to be fast and well suited for personal best performances.

All swimmers are encouraged and should plan to attend the 2002 Annual Membership Meeting held during the lunch break on Saturday, April 13. This is the time to vote on critical issues affecting the USMS organization, Michigan LMSC, your local team, and yourself.

Be sure to make reservations and file entries early to secure a place close to the natatorium. Complete meet flyer and details are enclosed in this newsletter. Mark your calendars now to be a part of Michigan Masters Swimming 30th Anniversary event!

## MICHIGAN MASTERS NEEDS YOU!

**M**ost of you have very busy lives, but you really love your swimming and make time for that. Sometimes it's easy to forget that there has to be a group of volunteers who give their time to keep the organization going to support your swimming activities. Naming all the people who do much of the work in Michigan Masters Swimming... running meets, compiling results, registering swimmers, organizing newsletters, setting up webpages, developing budgets, and so much more.. might surprise you how so few do so much. Some of us may not continue volunteering at the level we are now, so we need some fresh and/or experienced faces to step up and at least begin to get involved with the present volunteers to run meets, edit newsletters, develop web pages, and so on.

This is not an election year so there are no officers to elect at the Annual Meeting, held at noon on Saturday of the State Meet. Instead, I am naming

several projects/committees that need your help and a small amount of time (My mother always said that "Many hands make light work.") and will announce them at that meeting. At the State Meet, and before then, we will be soliciting volunteers for these committees.

Below is a partial list of projects, with present volunteers listed as temporary chairs, until other volunteers are designated, as appropriate. Please consider sharing your expertise and enthusiasm with this great sport and organization. Contact me or any of the people listed with your interest, ideas and your wish to help. The Executive Board will meet following the West Bloomfield meet to discuss the scope of these projects and possible volunteers for these projects/committees. Stay and participate if you can!

1. By-laws Review: Co-Chairs: Jim Coleman, Registrar; Ralph Davis, Treasurer

2. Meets: Development/Results/Records: Co-Chairs: Skip

Thompson, President-Elect; Paul Wright, Top-Ten Chair

3. New Meet Handbook: Co-Chairs: Barbara Bos, Sanctions Officer; Paul Chafee, Secretary

4. Communications Update (Newsletter, Webpage, etc.): Chair: Dennis McManus, Newsletter Editor

5. Long Distance Development: Co-Chairs: Don Kroeger, Past President, Marilyn Early, Long Distance Chair

6. Fitness Projects: Chair: Mary Fran Williams, Fitness Chair (Let me know if you think there are other worthy projects, ASAP!)

Let's keep Michigan Masters Swimming a vital and thriving organization. Join in.

See you in the pool, at West Bloomfield, Midland and, of course, EMU, for the State Meet! Jennifer Parks, President, Michigan Masters.

### Swimmer Musings:

Writing about training didn't inspire me, but when I remembered how upset one of the new members was at being "DQ'd" for a too-fast start in our relay, I thought the following comment might be helpful. So, here it is:

I once saw a swimmer go nose-to-nose with an official when he "DQ'd" her for leaning over too far at the start. She accomplished nothing for herself except to look bad.

Almost every swimmer at one time or another has messed up, has lost count during a distance race, has given a satisfying dolphin surge during the breast stroke, has started too soon in a relay. Hey, you're in this sport to have fun. Your teammates will remember their own particular goofs and not demand perfection of you. Occasionally, or maybe only once, there's a moment when it all comes together and you swim what, for you, is a good race - a personal best.

**Note:** Hope to have lots of you participating in this event! I just passed 500,000 yards for the year and am aiming for 300 miles (approximately 528,000 yards...I only counted in yards because I didn't swim meters very much!) Think it's time we did something for charity, too! Can't wait to see Skip and Don knocking out those yards, but watch those shoulders! JP

## 2002 YMCA Masters National Championships

The YMCA Masters National Short Course Championships are being hosted by the International Swimming Hall of Fame (ISHOF) complex in Fort Lauderdale, Florida the weekend of April 18-21, 2002.

YMCA memberships are \$46 per year at the Plymouth YMCA and \$20 for seniors over 62 years of age. Many people are already Y members and they just have to renew for next year. Entry forms will be available at all future Michigan Masters meets with pertinent information as to how to participate.

Anyone who would like to swim in the YMCA Nationals, not already affiliated with a current YMCA team, should contact Skip Thompson at (248) 683-2191 or e-mail: frankskip-thompson@aol.com, as soon as possible.

Due to the particular team method the YMCA utilizes, which differs significantly from USMS, **all participants from a local Y must enter as a complete team.** As a convenience, Skip Thompson will coordinate participant entries as he has done in prior years to accomplish this task for the Plymouth YMCA.

The team entry deadline to submit entries for this competition is March 28, 2002. As a consequence, all entries and fees must be in Skip's hands at least one week prior to this date. In other words, March 21, 2002.

Skip has indicated, for those who may not be able to obtain an application, he will take requests by phone and e-mail, then snail mail entry information to those interested in attending.

I've been doing this job for a few years now. It's been much harder than I ever would have guessed. Despite my best efforts I haven't been able to make Top-Ten completely error free. Often when I hear of a mistake or omission it's too late to do anything about it. Just so you know, I report three times a year for each season (SCY, SCM and LCM). I have specific, inflexible deadlines to submit my reports. For instance, the current Short Course Yards season ends May 31<sup>st</sup> and has to be reported approx. July 15th.

The SCY season is the worst of the three because of the number of meets and the variations in results format from smaller meets (if they send them in at all). Most, but certainly not all, records and Top-Ten times are set at the State Meet so extra attention is paid to this meet. If you are hoping to set a Top-Ten or Record time at State (or at any meet), then the following tips will help the process:

1. Register for your USMS card well before the meet. This seems to be the number 1 problem.
2. Make sure your USMS number is on your entry form correctly.
3. Make sure you spell your name on entries and relay cards the same as it's on your USMS card.
4. Let the referee and lane timers know you are going for a record time. Know the rules for your stroke.
5. Be sure you swim in the correct lane and heat. Sounds like a "duh" but it has happened.
6. If you swim at a sanctioned out of state meet and set a good time, let me know. I'm not psychic.
7. If you set a time at a Michigan meet that did not send me results, you need to contact the meet director.
8. You can review the preliminary Top-Ten results at [www.usms.org](http://www.usms.org). If you find a mistake before the publication deadline, let me know. The more people that review the list the better.
9. Don't call me at home, at 11PM, 3 months after the deadline asking why your time didn't get in. I won't be sympathetic.

Volunteer to help Michigan Masters do a better job. We never have too many people to help out. I've noticed that the people that complain about the problems are the ones who never volunteer to help or go to club meetings. Get involved or be quiet.

## Some Facts about 2001 USMS Registrations

1) We passed the 40,000 member mark for the first time. 2) Registrations grew by an average of 4.6% (up from 3.5% in 2000). 3) Ages ranged from 19-101. Approximately 45% women and 55% men. 4) Distribution across age groups remains consistent – 62% between 19-44, 38% between 45-54, 15% over 55. 5) 504 registered clubs have from 1-1,446 members. 4 clubs had over 1,000 members and 156 had less than 10. 6) 30% live in California. Other top locations are TX., FL., NY., VA., IL., CO., WA., MD., MA. 7) Age group with the most members – 40-44. 8) 62% renewed from last year, another 6% returned from prior years. 30% were new to USMS. 9) 8-10% of the membership changes location during the year, sometimes more than once, adding lots of extra work for the National Office and Local Registrars.
