## **Holland Community Aquatic Center Hosts 2003 State Championships**

This year marks the 31st Annual Michigan Masters Swimming State Championships hosted for the third occasion at the fabulous Holland Community Aquatic Center in Holland, Michigan.

Dutch Masters Swim Team and Holland Aquatic Center, as host organizations, look forward to an exciting and well organized swim weekend scheduled for **March 28-30, 2003**.

When you visit Holland you'll be greeted by the old-world charm of the Netherlands in a thriving, modern community.

Downtown Holland is listed on the National Register of Historic Places and is home of more than 100 specialty shops, restaurants and galleries. Charming Dutch architecture is scattered throughout the streets, but most awe-inspiring is "DeZwaan" on Windmill Island. More than 230 years-old and twelve stories high, this graceful giant is the only authentic Dutch windmill operating in the United States.

Be sure to make your reservations early to secure a place close to the Aquatic Center. As previous participants will agree, this facility is perhaps the finest indoor aquatic complex in Michigan.

# The Inside Lane

By Jennifer Parks

**T**his will be my last column as President of Michigan Masters Swimming (Chair of the Local Masters Swim Committee), as elections for several offices will be held at the Annual Meeting in Holland on Saturday, March 29 at the State Championship at Holland, and Skip Thompson will begin his tenure as President/Chair.

It is important now that I/we thank the many people who keep this organization going, and explain some of the work that the various positions require.

We are so grateful to Skip Thompson, as President/Chair-Elect, who has devoted so much time and effort to get meets going, run meets, and who does almost anything else needed to keep this swimming organization of almost 800 people going strong. We thank Paul Wright, who has struggled hard for many years to compile from often incomplete and/or incorrect results a comprehensive list for Top-Ten times consideration, an often thankless and difficult job.

We thank Jim Coleman, our Registrar, who has kept us registered despite the several changes from USMS, and in time to swim in the meets we want to go to. Thanks to Dennis McManus, our award winning newsletter editor, who spends so many hours organizing material which he receives from meet directors and others into a readable but stylish newsletter and getting it mailed out to you in a timely manner.

Thanks to Ralph Davis, Treasurer, who has done a marvelous job of preparing budgets and being the guardian of our financial resources. Our thanks go to Mary Williams, our Fitness Chair, who has been such an advocate of swimming for fitness....will you ever again skip practice to go shopping, after reading her articles? We thank Paul Chaffee, our Secretary, for taking readable notes at meetings, making sense of many voices. Thank you, Barb Bos, for continuing to evaluate and sanction our meets for insurance coverage, as Sanctions Chair, despite your new interests.

Milton French, our Webmaster, has tried to organize and update our website to help find the information you need. Thank you, former President/Chair Marilyn Early, for continuing to be involved as Long Distance Chair; thanks to Don Kroeger for collecting and sending Michigan Masters teams to the various LD Postal swims. I also thank members of the Review Committee: Ken Danhof, Wally Dobler, Gail Dummer, Marilyn Early, Edith Glusac, and the late, great Charlie Moss for their past deliberations; and thanks to everyone else for solving their own problems!

Thanks to all the meet directors, whom I shall not name because I made a mistake last year and was chastised for that, but you know who you are. You get the pool, develop an entry; make sure the timing system works, which it does most of the time; pray for timers that show/know timing; field questions/criticism; and

then make sense of results. Whew! Thanks to our officials, George and Ken and George, and others, too, for being patient with us as we straggle to the start.

Most of all, thanks to you dear Masters swimmers for thrilling us with great swims... Miriam Carlson winning the 200 fly in Hawaii, Andrea Funk tying for first after 6 Miles of Swimming in Indianapolis, and so many more...for amazing us with their tenacity; Lois Nochman, Don Korten and Edith Glusac and all the first time Masters swimmers. Again, thank you Masters swimmers for your support, friendship and love of the sport; it is one of the joys of my life to go to Masters' meets and meetings, being with people who really love swimming. See you in the pool or lake.

p.s. Read the February article in *THE NEW YORKER* by Lynne Cox, about her Antarctic swim! The Coastal Crawl in Harbor Springs is bath water in comparison.

p.p.s. Congratulations to the Michigan Masters Mileage Marathon participants. Fifty dollars will be donated in Michigan Masters's name to the Learn to Swim program in Big Rapids because of your participation. Thank you. Start keeping your mileage for 2003. At this writing I haven't received all the mileage charts but Miriam Carlson, 25, did do 964.8 miles and Edith Glusac, 84, did 69.1 miles, both great accomplishments.

**FACILITIES:**

Holland Community Aquatic Center houses two pools. The Natatorium Pool is a modern eight-lane 50-meter indoor pool to be configured as one 25-yard sixteen lane course. 8 lanes will be used for competition and other 8 lane course for continuous warm-up/cool down (except during the distance events which the full 16 lanes will be used). The other pool, a 6-lane 25-yard course will be available for warm-up/cool down during distance events. Swimmers must enter the water feet first in a cautious manner during all warm-ups/cool downs. Diving is permitted only in the designated sprint lanes. Lockers are available WITH LOCKERS FOR ALL SWIMMERS

All swimmers will be required to enclose a photo copy of their USMS card with the entry form or write "APPLIED FOR" on the entry form AND send the registration application along with the USMS fee of \$30.00 (this is in addition to the meet entry fee). It is recommended that swimmers pre-registered for the Meet be pre-registered with USMS by the Entry Deadline. If a swimmer is not registered or hasn't applied for registration by the entry deadline they will not be permitted to swim in the meet. A swimmer not registered with Michigan Masters LMSC cannot establish a Michigan State Record.

**TIMING:**

Timing system is Colorado electronic system with electronic and manual back-up with display scoreboard with start and recall. All events (except some heats of the distance events will be timed using this system. Manual back-up timers will be provided at each lane. Swimmers are encouraged to hit the pad firmly and when swimming in relays to remain clear of the finish area until the event is completed by all swimmers. Any swimmer or relay attempting a NATIONAL RECORD should alert the Starter and make sure there are the adequate three manual timers as backup. ## New USMS Fitness Committee Events

The USMS Fitness Committee has planned some fun, challenging events for 2003. These events are less competitive in nature, and can be done any time at any pool. You can use an event to set a goal, which will make your time in the pool more interesting, challenging, and fun. Your goals may involve any number of possibilities, such as learning to swim a new stroke, swimming faster, swimming greater distances, or logging your distance over time. Having a goal is an ideal way to enhance your exercise and fitness experience, so consider trying one of the USMS Fitness Events. Entry forms are on the web at [www.usms.org](http://www.usms.org).

**30-Minute Swim Challenge** The 30-Minute Swim is here!! The Pacific Northwest Association of Masters Swimmers (PNA) and the USMS Fitness Committee have created a new 30-minute swim challenge. The objective of this swim is to challenge yourself to swim continuously for 30 minutes. See how far you can swim, and send in your best distance. Do the swim periodically to chart your progress. There will be a commemorative prize or T-shirt available for those who enter. For additional details and an entry form, go to the Fitness section of the USMS web site ([www.usms.org](http://www.usms.org)).

**Virtual Geographic Swim Series** The Virtual Geographic Swim Series - Starts now! This event is a new USMS Fitness challenge designed to take the monotony out of your trips back and forth across the pool. Now you can "Swim America's Waterways" and join others throughout the country and world in applying any pool lengths you actually do to virtually swimming some of the most important bodies of water in the US. Each swim was designed by a Masters swimmer who lives close to the featured waterway. Some of our virtual swims are actually open water courses, and others are waters most would not dare to swim in reality. These Virtual swims are also designed to educate you about the different places, and perhaps, lure you to visit someday.

Start by picking a swim from the list. See the Fitness section of the USMS web site ([www.usms.org](http://www.usms.org)) for a complete list of swims, plus details and entry forms. Read and print the swim document, and record your yards (or meters) as miles on the chart provided in the swim. Record one log per swim. We have a generic log for you to use if a swim does not have one. At the end of 2003, you will be able to send in your logs for a personalized certificate, and possibly even recognition on the web. T-shirts with the design (shown above) will also be available. Start today! This event lasts all year, but the sooner you start, the more waterways you will travel. Please note: the Crawfish Masters offer their own shirt for their annual Lake Pontchartrain swim. You may purchase your own shirt from them, but orders must be received by Feb. 15. The Crawfish will accept your word that you will get across their lake sometime this year.

The Virtual Geographic Swim Series is intended to be an annual USMS Fitness series. We currently feature six swims, and hope to eventually have at least one from every state in the United States. If you are interested in designing a swim for your area, please let us know. We generally recommend keeping swims within a 50-mile distance, and these Virtual Swims can easily be enhanced with information and photos from the Internet. Submit your ideas by e-mail to [Fitness@usms.org](mailto:Fitness@usms.org), and we will review them. So, get in the water and go -- your destination is closer than you think!

**Check-Off Challenge**— coming around again next fall.

The list of **Local Team Fitness Events** continues to grow. Right now they are listed on the USMS Calendar of events.

## 2003 Chetrick and Lawrence Awards

Each year Michigan Masters presents two special awards. The **Chetrick Award** is given to a person for **outstanding service** to the cause of Michigan Masters Swimming. The **Lawrence Award** is given to a person for outstanding swimming accomplishments of the year. At the State Meet, just before the Saturday afternoon session, the year 2003 award recipients will be announced.

Members of Michigan Masters Swimming should take a moment and think of worthy nominees for both the 2003 Chetrick and Lawrence Awards. Members should submit a brief biography of their nominees to current elected officers as soon as possible.

The current elected officers will vote for the year 2003 award winners.
