Kris Goodrich: (248) 396-0704 macswimblue@gmail.com, and Jim Izzi: (248) 887-1126 jimjtg@icloud.com

FACILITIES:

Location. Waterford Mott Pool & Fitness Center is located in Waterford, Michigan. For information about this facility visit: <http://www.waterford.k12.mi.us/pages/51214/increase-font>.

Parking. There is ample parking directly outside of the Waterford Pools & Fitness Center entrance.

Swimming Pool. The Waterford Pool & Fitness Centers is a competitive 25-yard lap pool with 8 lanes. Lockers are available in the locker rooms, but swimmers should bring their own locks, and Waterford Pools & Fitness Center, and/or MAC, will not assume responsibility for lost or stolen articles. The length of the competition course without a bulkhead is in compliance and on file with USMS in accordance with articles 105.1.7 and 107.2.1. The primary timing system will be automated with sound device at the start and swimmer touching the pad at the finish with the time recorded on a scoreboard. Official times from this automated timing system will be submitted for USMS Records and USMS Top Ten times for all courses. For Short/Long Course Meters the time will be submitted to FINA for Masters FINA Top Ten and Masters FINA World Records.

RULES:

Competition Rules. United States Masters Swimming (USMS) rules and Michigan Local Masters Swimming Committee (MI-LMSC) policies will apply. The USMS rule book is available online at <http://www.usms.org> under the “For Volunteers” tab. The Michigan LMSC policies are located at <http://www.michiganmasters.com> under the “Information” tab.

PROCEDURES AND POLICIES:

Age Groups. Age on April 14 (last day of the meet) determines a swimmer’s age for the entire meet. Individual event age groups: 18-24, 25-29, 30-34, 35-39, 40-44, 45-49, 50-54, 55-59, 60-64, 65-69, 70-74 ... 5-year increments as high as necessary. Relay age groups: 18+, 25+, 35+, 45+, 55+, 65+, 75+, 85+ ... 10-year increments as high as necessary. Age groups for relay events are determined by the age of the youngest person on a relay team.

Warm-up/Cool-down. Swimmers must enter the water feet first in a cautious manner during all warm-ups/cool downs. Diving is permitted only in designated sprint lanes. **NO EQUIPMENT IS ALLOWED DURING WARM-UP OR COOL DOWN PER USMS REGULATIONS.**

Check-in:

- **General check-in.** Every swimmer must report for general check-in upon arrival at the meet to verify entry status, pick-up a copy of the meet heat sheets.
- **Distance event check-in.** Each swimmer who is entered in a distance event (400y IM, 500y freestyle, 1000y freestyle, 1650y freestyle) must report for a positive distance event check-in. Swimmers who do not verify intention to compete before the check-in deadline will be scratched from that event. The Meet Director reserves the right to re-seed the distance events after check-in if subsequent scratches will allow consolidation of heats. The deadlines for distance event check-ins are provided in the “Schedule” section of this meet announcement.

Seeding. Seeding will be slow to fast for individual events of 200 yards or less and for relay events, with men and women seeded separately. Seeding will be fast to slow for distance events (400y IM, 500y free, 1000y free, 1650y free), with men and women seeded together. “No time” entries will be assigned to the slowest heats for all events.

Heat Sheets. At general check-in, swimmers will receive heat sheets that show heat and lane assignments for all events that are 200 yards or less in distance. Separate heat sheets for the distance events (400y IM, 500y free, 1000y free, and 1650y free) will be posted at the pool when distance-event check-in for that event is complete.

Scratches. For all events, the swimmer is responsible to report to the assigned heat and lane in a timely manner. Failure to appear by the time of the Referee's short whistle commands will be considered a scratch; the swimmer will not be allowed to swim in another heat of the same event.

Timing:

- **Timing system.** A Colorado timing system with electronic and manual back-up timing and a full-display scoreboard will be used. All events (except some heats of the distance events) will be timed using this system. Manual back-up timers will be provided at each lane.
- **Swimmer responsibilities.** Hit the timing pad firmly. **Do not cut through lanes until all swimmers have completed the event.** During relays, remain clear of the timing pad area until the event is completed by all swimmers. Alert the Starter to request the required three manual back-up timers if you or your relay is attempting a USMS (national) record. Supply your own lap counting personnel for distance events.

Scoring. Individual events: 9-7-6-5-4-3-2-1 points. Relay events: 18-14-12-10-8-6-4-2 points.

Results. Event results will be posted at clearly marked locations announced at the meet and at the awards table. Results will also be available via Meet Mobile. Results will be published on the website (www.michiganmasters.com) following the meet.

Eligibility. Swimmers must have a current USMS membership as of the entry deadline to be eligible to compete in this meet. One-day event registrations (USMS rule 201.1.3) are not valid given that this is a 3-day meet with multiple events. Whether entering online or via mail, swimmers must agree to the USMS “Participant Waiver and Release of Liability, Assumption of Risk and Indemnity Agreement.”

Representation. When you register with USMS, you will designate your club (Michigan Masters (MICH). Each member of the Michigan Masters Club (and only the Michigan Masters Club) can also select which Workout Group or State Meet Team they would like to swim with for the annual Michigan State Meet Championship. You do not have to designate a Workout Group or State Meet Team to participate at the State Meet Championship (unattached); however, to swim in a Relay, you must designate a Workout Group or State Meet Team.

Event Limits:

- Swimmers may enter a maximum of 7 individual events for the entire meet (does not include relay events), with a daily maximum of 6 individual events.

If more than seven individual events are listed on the entry form, only the first seven entries will be accepted.

Entry Fees:

- Individual entry fee if submitted online - \$68.00. Individual entry fee if mailed in as a paper entry - \$85.00 (includes surcharge for paper entries).
- Relay event entry fee – \$12.00 per relay with all names, if emailed by Thursday April 11, @ 12:00 noon or \$16.00 per relay if deck-entered. (see full details in “relay” section below)

Entry Procedures:

- **Individual Events.** Choose a maximum of individual 7 events (does not include relay events). Enter your best **short course yards (SCY)** times on the line labeled “entry seed time.” You may enter an estimated time or “no time” if you do not have a best time to report. “No time” entries will be assigned to the slowest heats.
- **Distance Events.** The 400y IM will be offered twice during the meet, but you may enter this event only once, either Friday evening or Saturday morning. The 1650 Free will be offered only on Friday, with an option to enter either a 2:00 pm session or a 6:00 pm session. The Friday 2:00 pm session of the 1650y freestyle will accommodate the first 50 swimmers **who use the online entry procedure** and who indicate their preference to swim in the early session of the 1650. Refer to the check-in, seeding, and heat sheet procedures described earlier in this meet announcement for more information.
- **Relays.** Designate one team representative to enter relays for the entire team.
 - **Pre-entered relays.** The team representative (only) should email pre-entered relays by Thursday, April 11 @ 12:00 noon, to meet host Kris Goodrich macswimgoblue@gmail.com. For each relay team, please include: event number, swimmers’ names, ages, and seed time. Relay names and age groups may be changed up to 30 minutes before relay event starts.
 - **Deck-entered relays.** The team representative should enter relays and pay relay entry fees during general check-in on Friday from 4:45-5:45 pm, or on Saturday or Sunday from 7:30-8:00 am. Relay names and age groups may be changed up to 30 minutes before relay event starts.

The relay age group is determined by the age of the youngest swimmer on the relay team. The team representative must submit the relay cards to the Clerk of Course, who will add heat and lane assignments. Relay names and age groups may be changed up to 30 minutes before relay event starts.
