

THE ANCHOR LEG

Accountability vs. Blame

By Andy Donato

Accountability is positive. High-performance people willingly seek accountability for all work; whether a project surpasses every goal, falls short or fails miserably. Accountability never means blame. Blame says, "Errors were made and we should punish those who made them." Instead, accountability says, "Something went wrong. We need improvements and we can work together to achieve them."

One of the somethings that went wrong starts here with me. In the process of picking up the State Championship medals and ribbons from the west side of the state last fall, integrating them with boxes of standard meet ribbons and entry cards, and making the hand-off to Skip Thompson at the Brighton meet in early February, I left one box behind. This forgotten box contained 180 First place medals and 318 second place medals. This is why we had no Gold and Silver medals at the State Meet and prompted us to account for the missing box. With this number of medals we would have run out anyway but the number of unawarded swims would have been substantially reduced.

I know that Skip Thompson and the Midland Dolphin group running the meet took a lot of grief over my mistake. To them as well as the Michigan Masters, I wish to apologize. The order of additional medals should arrive later in April. At that time I will be working with Skip to distribute all medals. I would also like to say thanks since after my discovery of the missing medals and announcement to all of the officers, the feedback has been very positive with understanding and willingness to help. To this end I'm proud to be associated with you, and you truly are my friends.

ANNUAL MEETING Summary

By Karen Pearson

The notes that follow are from the Annual LMSC Meeting during the State Meet at Saginaw Valley State College on March 30 & 31, 1996.

□ Andy Donato, our President called the meeting to order.

□ Don Korten, our Treasurer, gave a very detailed report on our financial situation. As of March 3, 1996, we had \$8,734.80 in our treasury. As of the meeting, we had 560 registered Michigan Masters swimmers for 1996.

□ Gail Dummer suggests that we look into some investment accounts.

Andy Donato appointed Eric Nordlund as our interim Sanctions Chairman

□ Karen Pearson, our Safety Chairman, brought to our attention a Report of Occurrence. This needs to be filled out and returned to USMS's insurance company in the event of an accident whether it occurs at a Masters practice, meet or event. Please note that a copy of this report is enclosed in this issue.

□ Marilyn Early is once again hosting her 1, 2 or 3 Mile Open Water Swim in Harbor Springs. It is August 4th and afterwards she and all of her volunteers will decide if they would like to make a bid for the 2 or 3 Mile Nationals in 1999.

□ Andy commented on the need for many volunteers to help run the LC Nationals.

□ Ken Danhof encouraged each club to sponsor an event for LC Nationals

□ Skip Thompson was elected relay coordinator for Michigan Masters for Nationals.

□ It was decided that the LMSC officers would be responsible for ordering medals and ribbons for the meets. There was a discussion about giving ribbons instead of medals for relays to cut costs. Or to go

(Continued on page 2)

(Continued from page 1)

to cheaper medals. Or to lower entry fees by purchasing your own medal at the meet if desired.

❑ After much discussion and two votes, it was decided to keep the current format of Large and Small Team divisions. And it would be up to the Meet Director to divide the teams according to the number of swimmers first and the number of events second. Also the Meet Director would include Womens and Mens Division Awards.

❑ The 1997 State Meet was awarded to Eastern Michigan University in Ypsilanti and the Meet Directors are Eric Nordlund, Leonard Brockhahn and Bob Jennings.

❑ Andy Donato has Hy-Tek software available to all clubs to run Masters meets only. Call him if you would like to use it. He will also be purchasing Workout Manager and a Down Loader for CTS5.

❑ Don Korten suggested that we try to move the State Meet away from the Easter Holiday.

❑ Edith Glusac announced the age lowering to 50 for Senior Olympics. They are in Warren in July and the first three places qualify for Nationals to be held in Tucson, AZ.

❑ Skip Thompson encouraged more participation in Zone Meets.

❑ Andy Donato shared the agenda of what will be discussed with FINA at the Worlds in England.

❑ There was discussion about the State Meet format; 1 vs 2 weekends. the order of events, offering 200's and shorter races once and distance events twice. It was decided to be left up to the Meet Directors.

❑ Skip Thompson talked about the requirements for records to be broken at meets. It was verified that two officials must be on deck for a record to count, one official and one unofficial.

❑ George Newman, who has been active in Masters since 1972, reminded us of why we are here... for fun and fitness, and cautioned against getting too much formality.

CAN YOU BE COUNTED ON TO HELP?

Nag, nag, nag....

It's more about Michigan Masters involvement in the upcoming USMS Long Course Nationals that we, as a State Masters Team are hosting!

In order for this Championship to run the way we'd all like it to and so that as many Michigan Masters as possible can come and participate as athletes we have involved some out side groups. These groups are primarily age-group swim teams/parent groups. They will be timing as well as helping Masters to staff such locations as awards, worker & officials' hospitality and they will also act as runners for various groups. These groups are committing a great deal of time and people power and for that they will be compensated. We will also have such expenses as officials, awards, printing and pool fees.

Consequently, we are selling advertising in our meet program to help to off-set some of those costs. We would like to encourage everyone to solicit an ad or two. It is a simple way to show support. When you do so, simply fill out the following page (our demographics are on the back of it) and return it to me with their check and ad (camera ready, please) and I'll get a receipt out to them! The fees are as follows:

Full page	\$300
1/2 page	\$175
Event Sponsorship	\$100
1/4 Page	\$100
1/8 Page	\$ 75
Business Card size	\$ 50

We also will have 1200-1400 Goody bags that we would like to have useful items for. Depending on the value of the "give-away" the company supplies we will give them ad space in the program accordingly.

Be CREATIVE! Please...Find a way to contribute!

Who Are The United States Masters Swimmers?

Masters Swimming has some of the highest income and education average levels you can find in a single market.

Over 97% of Masters Swimmers have educations beyond High School.

Masters Swimmers have discretionary income to spend on travel and products.

AGE GROUPS	
29 years old and Under	11.64%
30 to 39 years old	32.73%
40 to 49 years old	27.71%
50 to 59 years old	12.85%
60 to 69 years old	10.24%
70 years old and Older	4.83%

Masters Swimmers are equally divided among Men 53% and Women 47% with a wide age spread.

Masters Swimming is considered an upscale market. Since this market parallels your target market, sponsoring the 1996 USMS Long Course Nationals will bring your name to several thousand members of your market in one weekend.
