FOR CHARITY SAKE

Every January Bill and I hold run a meet for Michigan Masters. It began as a local meet in the Jackson Y when the cold winds of January blew. The first year I think we had about 25 swinuners. After a few years we "grew into the High School, but we have now "grown" into the University of Michigan.

This year, in addition to the meet entry. I would personally like to invite each swimmer to bring a can or two of food that can then be wanted over to local shelter. Their pantries are quite low in January after the Holidays.

This is NOT mandatory for entrance, simply requested! We will have drop off points at the pools.

We look forward to seeing you in January at U of M!!

PRESIDENT'S CORNER

By Donald J. Kroeger

On November 1 & 2, 1997 approximately 16 of my fellow MI Masters swimmers and I competed in out Great Lakes SCM meet at the IUPUI Natatorium in Indianapolis.

At the end of the first day's events the Zone Chairman and the President's of each State within the zone. met.We discussed ways in which swimmers in our zone could find out where, when and what time Maters Swim meets, open water swims and fitness swimming events are scheduled in our zone. This would give our members more choices of places to swim and areas to visit during the year. We ended our meeting looking to the future talking about having state meets. Maybe a tristate championship, with records and other events to bring the swimming events

closer and easier for our members to attend. Finally, we set up another meeting in the spring to see if we can turn some of these ideas/dreams into reality.

"Now, for the rest f the report. ." Michigan Masters Swimmers won our division. Our swimmers also qualified for National Top Ten Individual and relay honors, set several new Michigan state records and over-all had a great time!! However, we could still use more Michigan swimmers at these meets.

If you have any questions or comments, please feel free to call or write me, Donald J. Kroeger.

P.S. Swim fast and for the health of it!

Smokin' Ladies

By Lois Kivi Nochman

Kathy Beckley, Edith Glusac, Lois Kivi Nochman and Mary Fran Williams traveled to the Smokey Mountain Last Chance Long Course Invitational Meet held in Hendersonville, N.C., Sept. 6 & 7, this year.

We four Michigan swimmers won the first place award for Out-of-State teams. Mary Fran and I both won towels for being the high point winner in their respective age groups.

We enjoyed the social evening, which included great food, a door prize for everyone attending, and entertainment by a local group of madrigal singers; (lots of Fa, la, la's and a theme-- like "Shoot, False Love, I care not --!) at the Satterfields' home on Lake Summit.

Join us next year!

HI Everyone and Happy Holidays!!!

The weather outside has turned frightfully cold for so early, so we know it must be time for Master's to gear up for competition!! Please check the meet flyers carefully as there are postal meets as well as "on-site" meets.

I am pleased to say that we have an excellent Review Board in place!! And to those members, thank you for agreeing to free up time as needed for this position! We are truly grateful!

It's Your Turn

By Ralph Davis

All new officers have been asked to write a short biography to introduce themselves to the rest of the membership. I'm a 50 year old accountant, married for 31 years, father of three daughters, and especially proud grandfather to a 2

year old grandson. Essentially, I'm a youngster to

Masters Swimming. I returned to the sport in 1993 after a 28 year hiatus from competitive swimming. Due to extensive travel related to my career requiring up to 50% of my time outside the United States, this was my excuse for not joining Michigan Masters sooner. However, with a reduced travel schedule and consistent prodding from other masters swimmers, I began the journey back to swimming. Albeit a somewhat painful trip to start.

After a few very tough months, the workouts actually started to be enjoyable and I began to feel back in shape (my swim group would tell you I'm still not in shape). Since that time, I've enjoyed competing at various local meets, national events and especially our own Michigan Masters State Meet.

Many individuals have contributed immeasurable personal time to Michigan Masters to enable others like myself to enjoy an opportunity to participate in a lifelong fitness and competitive swimming program. I believe it appropriate to thank all the

past Michigan Masters officers and current officers such as Bill and Phyllis Reid who sacrifice their free time to facilitate swimming for all of us. Now it's my turn, as the Treasurer of Michigan Masters, to make a contribution to this organization. Additionally, I'm especially thankful to (Frank) Skip Thompson

for urging me to join. His enjoyment and enthusiasm for swimming is contagious. I'm sure he has infected many others with the swimming bug. Without Skip's encouragement

A journey

and leadership, I most likely would not be swimming today. He has challenged many to get involved.

In closing, my challenge for each and every one of us is to recruit one person for Michigan Masters for the 1997-98 swim season. I'm confident they will thank you some day for doing so.

Do NOT forget to check out our website (thanks to Ken Gutowski)

Dear Editor,

As members of the South Oakland Seals swim team, we would like to clarify a few issues that have been discussed in the past two editions of The Wave Eater.

1. Recruiting is not the

issue -- matter how many peo-

Success is

never final,

and failure is

never fatal;

it's determina-

tion which

counts

ple a team recruits, the test with the BEST TRAINED swimmers wins! This is denced by the fact that the first place team had 14 fewer swim-

evi-

mers than the team that came in second! Perhaps because S.O.S is a SWIM team, dedicated solely to the sport of swimming, we have placed swim training on a higher priority than other teams which have other sports among their goals.

2. It has taken a great deal of sacrifice and courage for the S.O.S. team members to band together as a team and win the State Championship for the last nine years. Some of us have even swum with painful injuries at the State Meet for the sake of the team -- one of our

teammates swam the 800 with a broken leg! All of us work out regularly -many of us swimming 7 days a week. And, although winning the State Meet is a goal with great incentive, it is not the only reason we swim in Masters competition -- the camaraderie, the friendships we have developed, and the obvious health advantages are even greater rewards.

3. Our commitment to excellence in swimming performance is evidenced by the number of All Americans and Top Ten swimmers on our team. And these swimmers all help in the training and development of their teammates.

Furthermore, the S.O.S. team doesn't exist in a vacuum. We host the Dearborn/Levagood Long COurse meet every summer, and out team director also serves as Great Lakes Zone Representative, which requires a great deal of time and dedication. Our team members contributed wholeheartedly with their time and energy to help make the '96 LC Nationals the successful meet it was. Both as a team and individually, we participate actively at USMS meets -- locally, regionally, nationally and internationally.

And finally, we find the inference that the First Place team at the State Championship meet attained the title through recruiting violations, to be unsubstantiated and unfair. Some might consider it an unfair advantage for a team (not SOS) to have accessed the Internet for the recruiting source a short time before the meet. The main source for the success of the SOS has been the 85% or more of it's membership who have been on the team for over five years! It is a common accusation by poor losers to claim that their opponents "must have cheated". Must a hardwon victory be soured by such allegations? What happened to good sportsmanship here? Aren't we Michigan Masters when we swim as a team at National meets.

Sincerely,

Dennis James. Michael Schuldinger, Peter Milostan, Florence Hewardin, Dennis McManus, Charles J. Maas, Susan Cahill, Lois Kivi Nochman, Mary Fran Maas Williams, Harvey A. Hoffmaster, Jill S. Murrany, Skip Thompson, and Phillip A. Mc-Clurg

Editors note: In the future all disputes will be handled by the review committee.

Review Board Elected

By Jennifer Parks

Six excellent members of Michigan Masters Swimming have been elected to the Review Committee, as required by our By-Laws:

- -Ken Danhof, West Michigan Masters, fine backstroker, former State Meet Director, been involved for close to 20 years
- -Wally Dobler, Lansing Masters, great flyer, triathlete, been involved in Masters since the beginning in the early 1970's
- -Gail Dummer, Lansing Masters, pretty good IMer, was Vice-President of United States Masters Swimming, involved for 20 years
- -Bob Heritier, Detroit Athletic Club, freestyler par excellence', won outstanding swimmer award last year, has attended almost every National Championship, attorney*
- -Dawn Hewitt, Jewish Community Center, terrific backstroker/ IMer, great college swimmer, dedicated to Masters the last several years
- -Charlie Moss, Midland Masters, the first flyer under a minute-50 years ago, hosts meet held every year since we began 25 years ago.

All of these people are swimmers through and through, and truly value the sport as well as the organization, Michigan Masters Swimming, representing United States Masters Swimming. Their responsibili-

ties will be, as directed by USMS Rules and our MMS By-Laws, to attempt to mediate/solve problems relating to Masters Swimming in this state that may come to them from Michigan Masters members. including the elected officers, that have not been resolved by the individuals or groups involved. This does not mean that every little problem must come to them - they may choose to turn it back to the group or individual, as they deem appropriate.

United State Swimming has used this model for several years. For the past nine years, I have been chair of Michigan Swimming's local Review Committee. There are ten times the number of athletes and coaches, and in age group swimming there is parental involvement. We receive complaints pertaining to all manner of things, including coaches' behavior, athletes' conduct, officials' judgment. Sometimes we counsel in small groups. sometimes we have had confidential hearings with an attorney* present when various legal rights might be involved, sometimes we have suspended, or exonerated, various members. Much of our work is done by phone! The Michigan Masters' Review Committee, as I see it. will evaluate this model and organize as it best fits our adult sport.

There has been some resistance in Michigan Masters in electing and empowering this Review Committee. Often, adult-run volunteer organizations and their elected officers

believe that they can solve any and all problems that arise; that there is no need for a group like this. Having been involved in Masters Swimming for 25 years, having seen groups and individuals almost bring this organization to a halt with their differences, it is a particularly appropriate time to have this Committee instituted so that Michi-

mstituted so that Michigan Masters can continue to grow and thrive for all the members.

Congratulations to these dedicated Michigan Masters members and the others who were also nominated for this Committee. May you receive few letters and calls! And thank you to the many members (56, more

than usually attend and vote at the Annual Meeting) for taking the time to vote. It appears that you think this Committee is important.

Old Dogs New

Hi! I'm Jeff Colton, the coach of The Sports Club of West Bloomfield's newest sports team by the name of the "Greyhounds". This masters swim team began training in September and are coming along quite well. We offer six training sessions a week, M-F, 5:30-7:00 AM and Sat. 6:00-8:00 AM. Our training ranges between 2500 - 5000 meters per day depending on individual needs. I'll be following commonly used coaching techniques that are recognized by A.S.C.A. coaches as current standards U.S.S., N.C.A.A. and high school training programs. We believe this schedule will enable you to reach your swimming potential as well as maintain a high energy level throughout your adult life. The program recommends that each member attend at least four of the swim sessions.

The hidden gem in our program is the ability to cross train in one of the nicest multi-recreational health club facilities in the Midwest. The Sports Club has 130,000 square feet of pure fitness areas that includes weight training, cardio equipment, indoor track, spinning, aerobics, yoga, martial arts, tennis, gymnastics, and more. All these extras give my team and me a great chance to strive for the balance necessary to succeed.

My goal at The Sports Club is to provide a relaxed atmosphere designed to make your experience interesting, enlightening and FAST. While in the water, our program utilizes a multitude of training techniques or "drills" that are hydroergonomically designed to alleviate improper technique and unnecessary physiological stress. We find that swimming in this environment is more enjoyable and rewarding and that yes, it's true....

"OLD DOGS CAN LEARN NEW TRICKS!"

Hope to see you someday at 5:30 AM.

December Fitness

By Jennifer Parks

You haven't really started working out yet! You're really wary of how long it will take to get back in shape? Some good news... Michael Stone, an exercise physiologist at Appalachian State University, says that on average, most people lose muscular strength at about half the rate that they gained it. "Your rate of regression depends on how fit you are to begin with, but your body tends to hang on to the big gains quite tenaciously." (Eller, "Getting Back on Your Feet, "HEALTH, p.42, Nov./Dec., 1997) In this same article, Michael Pollock, director of exercise science, suggests that aerobic capacity begins to drop in the first few weeks but actually takes a long time, maybe eight months without any activity to lose all you gained. So take heart, literally, and jump back in the swim. Remember, moderation, to begin with so you don't burn out or wear out. Get ready for the holiday season by building your swimming into your schedule (put it on your planner). Find a place to swim that stays open a lot,

even during the holidays. My sister and I swam at noon on Christmas Eve. New Year's Eve, as well as the day after at Grand Rapids Community College last year. Keeps me sane (or I like to think so)! And, remember, (I'm reminding me as well as you), ratchet up that immune system with some extra Vitamin C, enough rest, and lots of fun during the holidays. If you're feeling effects of too much stress, take some deep breaths in the short run, and if you can, take a long, continuous swim-great for the calming effect. you in the pool! JP

P.S. I received a few stories of a return to swimming and fitness, (Thanks to new my U.P. friends) but still looking for more. Write, call, or e-mail me about how you came to or back to swimming and how it's affected your fitness, health, life!

Facilities

The meet will be held at the Don Canham Natatorium at the University of Michigan. The long distance freestyle events (500 Free, 1000 Free and 1650 Free) will be swum in two 25 yard eight lane courses, each course with electronic timing and scoreboard. Odd numbered heats will swim in the west course and even numbered heats will swim in the east course. All other events will be swum in a single course, the west course, with the east course available for warm-ups and cool-downs. During the 1000 freestyle, the diving well will be available for warm-ups. Swimmers are reminded to enter the water feet-first during all warm-ups and cool-downs. Diving is permitted only in designated sprint lanes. If desired by the athletes, there will be a break between the 200 Yard Butterfly and the 200 Yard Medley Relay.

Entries:

Cost is \$15.00 for mailed-in entries and \$20.00 for deck entries. We intend to seed and score this meet with a computer. Thus we request that as many swimmers as possible enter by mail so that we will not have to do a lot of data entry on the day of the meet. Mailed-in entries must be postmarked by January 13, 1998. Relays can be deck entered without penalty. A swimmer may enter 5 individual events and 3 relays. Swimmers can swim both the 1650 free and the 1000 free. Entries should be mailed to:

William T. Reid, III 128 Marlboro Court Brooklyn, MI 49230

Seeding and Scratches: Positive check-in is required for all swimmers entering by mail so we can minimize the number of open lanes and give every swimmer good races. The check-in period for all swimmers who entered by mail is from 8:30-9:30 AM. Swimmers may check-in during this period in person or by phone at (313)936-8850. During check-in,

swimmers will given their cards without heat and lane assignments. Swimmers who deck-enter the meet will prepare their own cards, again without heat and lane assignments. At the close of check-in, all swimmers who have not yet checked-in will be scratched and the heats will be seeded slow to fast. Seeded heat sheets will be posted in the pool area and all swimmers can mark their cards with their heat and lane assignments.

Swimmers who have entered the meet by mail and find that they are unable to attend can scratch by telephone. Before Sunday, January 18, scratches can be made at (517)592-8908. Scratches can be made on Sunday from 8:00 AM until 9:30 AM at (313)936-8850. If you scratch by phone, we will refund \$5.00 of your entry fee.

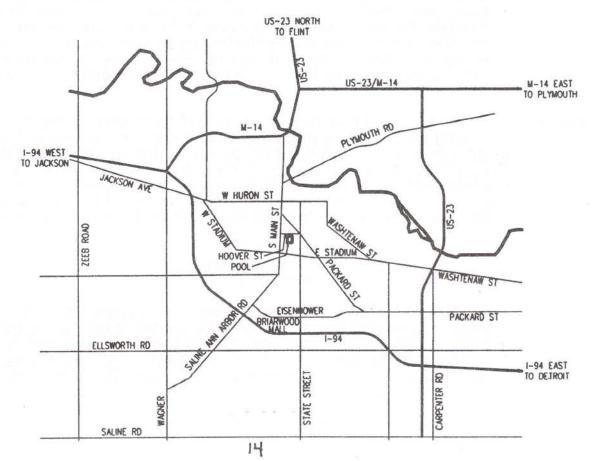

Eligibility:

Only swimmers registered with the USMS for 1998 may compete in this meet. All entrants must show cards during deck entry (or check-in for swimmers who entered by mail). USMS cards can be purchased at the meet.

Refreshments: Refreshments including coffee will be available before, during and after the meet for the swimmers.

Timing, Awards and Results: Times will be taken by a Colorado electronic timing equipment on each course and connected directly to the computer. Splits will be taken from the Colorado systems and will be bound into notebooks near the awards area. Awards will be Michigan Masters ribbons for first through third with computer-printed stickers.

Location: The Don Canham Natatorium is located on Hoover Street between State Street and Main Street. Parking is available South of the Natatorium. Enter the lots North of Yost Ice Arena from State Street or West of the Natatorium from Hoover Street.
