AGING UP - Proves Beneficial

Ed Slezak is the proof in the pudding that "aging-up" is not something to be dreaded, but something to look forward to and savor.

At the Michigan State Senior Olympics last year he won three gold and two silver medals in his five events. This year at the young age of 80, he won five gold medals in the Oregon Masters State Meet during the last week of March. The following week-end he came back to his "home" pool where he entered seven events at the Michigan Masters State Championships and won each one. It must seem like home because Ed is an alumni of the University of Michigan as well as having coached swimming there in the late 1950's. Among his students were Dick Kimball and John Urbancek, the current Diving and Men's Swimming coaches at Michigan.

When not competing, Ed swims in Long Lake from shortly after the ice goes off the lake until it begins to form again in the fall.

Editor Noise

First and FOREMOST let me correct an error that I made in the last edition of your newsletter. One person has pointed my error out several times and I certainly apologize for inadvertently giving the 1957 NCAA Championship to Michigan State instead of the University of Michigan. Michigan State was, however, the Big Ten Champions that year. My apologies to the alumni of both institutions.

Secondly, if all of you promise to read the newsletter from beginning to end, I will try to limit articles to one page. I've had a couple of people tell me that they spent a fair amount of time with the last newsletter, trying to decide where each article went, next! Therefore, I will try to limit the jumping around.

I am including the *limited membership* application for USMS. This is only good until the end of '94. The 1995 application will be in the next newsletter (it has to be approved at convention).

Thanks to those who sent in pictures... I'm glad you did.

Camille Goes to Malta

Camille Waddell, of the Lansing area, began swimming as a child in age-group swimming and joined the Masters program in '91. She currently holds a number of swimming records. At 32 her Masters State Long Course records include the 200 freestyle, 200 IM and the 50 Fly (with respective times of 3:46.89, 4:16.57 and :52.24). She was also the Gold Medalist (& World record holder) in the 100 meter breaststroke and a Silver Medalist in the 50 meter freestyle at the Barcelona Paralympics in '92. In addition, she holds DAAA (Dwarf Athletic Association of America) National records in freestyle, breaststroke, butterfly and the IM.

Having come this far, Camille is headed for Malta in late October of this year for the IPC World Championships (Cross-Disability Swimming Championships), which is a qualifying meet for the Paralympics in Atlanta in 1996. She is a thirty-two year old dwarf (achondroplasia) and will be competing in Malta for the national organization, DAAA (Dwarf Athletic Association of America).

As we all know, athletics in this day and age are not cheap, either to participate in or travel to. Camille's trip to Malta is no dif-

As we rapidly approach the middle of the last decade in this century, I have decided that in a very small way, I want Michigan Masters to become a bit more computerized. Hence, I may be reached to ask questions of or make comments to or convey ideas by mail, or phone and now through Prodigy. My number is EMGD68A. Dave Smith and I have found it comes in handy for relaying "change of address".

Holland Anyone?

Charlie Moss sent me information on the 12th Dutch Open Swimming Championships to be held in Zwolle, Holland on Sept. 25th. If anyone happens to be going over, please call me and I'll pass along what I have. Unfortunately, the entry deadline was August 25th, but it still might be interesting to look into, if you happen to be in the area.

New Club Forming

We are pleased to announce that the Howell Area Aquatic Center has organized a Masters program. They have named themselves, LAFS for Livingston Area Fitness Swimmers. They will be meeting weekly for a coached practice session on Tuesdays from 6:30-8pm and are interested in expanding their membership. They have an annual fee for LAFS of \$10, plus \$5/week. And you must have a current USMS registration. If you are interested, please contact Karen Pearson at (517) 548-6355. They have a great core group with lots of enthusiasm, if you live or work in the area, consider giving them a call. The Aquatic Center is beautiful (in my very own home town) and less than a year old and they will be hosting a Masters meet on January 15th.

Rumor has it that they had 20 people sign-up initially.

Good Morning Clark Lake!

Early one Sunday morning Bill, my nephew Steve (and his girl) and I headed over to Clark Lake for the annual Lions Club sponsored Triathlon. We really enjoy this event, since its only 4 miles away it means we don't have to wake up early or drive any distance. It was a nice cool morning (at least from my point of view) with sunshine and minimal wind. Shortly after we arrived we began seeing local Masters we know, Jeff Beagle, Dave Schupbach, John Stover, Tim Clore, Greg Brannick as well as some from further away. As people were getting organized we saw, Richard Fortune, Wally Dobler and Ken Gutkowski also in various stages of preparation.

Greg Brannick and Tim Clore were participating as the swimmer on two different teams. Greg's team finished first (of ten mens' teams) with a time of 1:12:18 and Tim's placed third in 1:15:03.

I was surprised (because we didn't know he was there) and pleased as we watched the race to see **Todd Briggs**, finish first overall after having led from the end of the swimming portion. Todd's time was **1:08:31**. The other nine masters finished as follows:

Jeff Beagle 1:10:22
(2nd in 30-34)

Kenneth Gutowski 1:15:53
(4th in 35-39)
John Stover 1:15:57
(1st in 50-59)
John Cowing 1:20:57
(3rd in 45-49)
Richard Fortune 1:23:28
(5th in 45-49)
Dave Schupach 1:23:48
(3rd in 50-59)
Earl Gaball 1:23:52
(4th in 50-59)
William T. Reid III 1:35:37
(18th in 40-45)
Wally Dobler 45:58
(2nd in 60 & over)

My nephew, Steve Stephenson, 17 finished 2nd in his age-group in, this his FIRST triathlon with a time of 1:38:03.

Who Says You Aren't Ready?

Originally titled: The Sudden Swimmer
(by Terry Laughlin)

(Editor's note: This is something I found in MastersSports news letter and thought that some of our newer swimmers would appreciate Mr. Laughlin's thought on first races.)

"There's nothing wrong with swimmers that a little runner in them couldn't cure. Runner's are

ready to fill out their first race application about two weeks after they start regular workouts. But cross-trainers and fitness swimmers? Even if they have been shaping up in the pool; for decades, they're dogged by the myth that swim meets are for experts. These days I'm stunned when I meet a new swimmer in one of my camps who's actually anxious to enter a Masters swim meet or open water race. If runners felt that way, every 10K would be over in 40 minutes or less. Nobody else would show.

Here's an unnerving thought: Maybe you're ready for your first swim race right now. Look in on any Masters meet, even to National Championships, and see if you think Masters really mean "elite". At the most recent Masters Nationals in Phoenix there were dozens of competitors, all ages, who would blend right in at any pool of average lap swimmers. Yes, the rockets of the meet swam 100 yards of freestyle in 44 seconds. But lots of others took four times that long - to thunderous applause.

SO let's set the record straight about Masters meets myths.

1. You have to be able to execute a racing start off a high platform. No you don't. Masters swimmers are free to start their races in the water, and many do.

(con't on the next page)

President's Page

Welcome back after (hopefully) a great summer. I am really excited about our program for fall and winter. We have a great meet calendar planned. The meets include all of the traditional meets plus new meets at Howell and Kalamazoo ending with the Midland meet in March. We have scheduled another Stroke Clinic with Jim Richardson and the Michigan Women's Team. Phyllis has planned a 12-Mile Swim Challenge at Canham Natatorium which should bring new meaning to "Long Slow Distance". Finally I have set up the Michigan Master's Meet Circuit to recognize attendance at Local meets. Events flyers for all of the events plus the Fall meet flyers are in this newsletter.

More great news comes from Sallie Thompson our Registrar. We have **528** registered Master's Swimmers in Michigan. This is our second year of increasing registration and our **largest** year according to the records we have from the National Registrar, which go back as far as 1982. The year that came the closest to this year was 1988 with 521 members. We have new teams starting up in Howell and Kalamazoo, possibly at East Hills Athletic Club in Grand Rapids and Oak Park Y in Lansing and the F.A.S.T. team is

reorganizing and growing. We also understand that A2QUA continues to grow.

We have 528 registered Masters Swimmers in Michigan, to date and the season has two more months.

As many of you know, The Michigan LMSC (that's us, as in *Local Masters Swimming Committee*) submitted a bid with Mark Lambert and the University of Michigan to USMS for the Long Course National Championships. Our bid has been very well received by members of the Championship Committee. We will hopefully win the bid at the USMS National Convention at the end of September in Kansas City.

All in all it is a great time to be a Masters Swimmer in Michigan. We are really on a roll! I would like to urge all members in the LMSC to consider becoming involved in the operation of the LMSC. This year is an election year for all positions including President-Elect, Secretary, Treasurer, Sanctions Chairperson and Registrar. We have lots of activities planned in the next few years that should bring us national recognition. With all of the momentum, spirit and energy that members have been putting into our activities, it is great time to be an officer. Consider running for a position and helping to

guide the LMSC! If you are interested in seeking an office, please call or see Andy Donato (who is head of the Nominating Committee) or me. If you have any comments concerning the LMSC or our programs, I would like very much to know about them. Please call me at (517) 592-8908 or see me at the meets.

I hope that you all have had a great summer and that your swimming is going well this fall. I hope to see you this FALL at meets!

SWIM MICHIGAN

Remember last newsletter, where I mentioned that we would be running a program to called "Swim Michigan"?

Well, the time has come...

Here's the way it works: It will include the next 5 months (October, November, December, January and February). If you are interested in participating, you need to fill out the registration part of the announcement (later in the newsletter) and send it to me by the end of the year. And you then need to keep track of your weekly yardage and at the end of February, send it in. The distances, listed on the announcement are either between two meets or at least distances we know some Masters must drive. All participants will receive T-Shirts.

Who Says You Aren't Ready?(con't)

2. Everybody who's any good uses racing flip turns. The easily learned open turn is common at Masters meets.

3. The other lanes are all full of former college stars. Actually, only one in three Masters swimmers has any previous competitive experience. Besides, heats are seeded by estimated time so if you are new to this, many of your fellow competitors will be, too. Many meets offer novice-only races for those who have never swum the event competitively. You could be a medalist your first time out.

So how can you tell if you are ready? Well, 50 yards is the shortest event at Masters meets, and if you can swim just two lengths of a 25-yard pool in reasonably good form, you're ready to race - certainly in the freestyle

or backstroke, which are the two least technical events. Forget the breaststroke, which uses a frog-like kick unnatural to many novices. And the butterfly, even just two lengths of it, is a challenge for experienced swimmers.

The boisterous fellowship that rattles the stands, the noisy racket that supports every racer...

But it's a little-known fact that "freestyle" means literally that - you're free to choose any style - though the "crawl" wins hands down because it's the fastest. Two years ago in the Masters World Championships in Indianapolis, I watched two 90-something gentlemen lock horns with their - how to say it - "gently competitive" versions of an elementary backstroke, perfectly legal under the rules.

Still, dwelling on all the clipboard stuff obscures the best part of Masters meets. They're gatherings of friends, many of whom don't even see each other anywhere else. The boisterous fellowship that rattles the stands, the noisy racket that supports every racer, the way new faces become old buddies in just a couple of hours, all dwarf the clock's trivial news that you didn't quite win.

But oddly enough, you always

feel just as good as whomever did.

Finally, you can swim any race you please. That includes the longest race, a 1500-meter freestyle, nearly a mile. Just don't stand or hold onto the lane lines. Resting on the wall is as normal as walking break in a marathon. Masters National, and even World, Championships are all-comers meets. Everybody's guaranteed the right to swim in at least three events before having to meet any qualifying times. Local, state and regional meets never require them, period.

Dave Smith enjoying some time waiting at the World Championships in Montreal.

Thanks Dave!

Swimaholics Warning Signs

- ❖ You have an excessive appetite and inability to gain eight.
- ❖ Your skin is dry and flakes when you scratch it.
- ❖ Your hair has lost its color and stands straight up when dry.
- ❖ You've missed your spouse's birthday for a swim meet the last five years in a row.
- ❖ Co-workers complain frequently of smelling chlorine in the office.
- ❖ Your plan family vacations around swim camps, swim meets and workouts.
- ❖ Your youngest child's first words were "take your marks".
- ❖ You frequently confuse your address with your 1500 meter time.
- ❖ You call your coach for pre-event advice before engaging in sex.
- ❖ Carbos, coaches & pace clocks have replaced wine, women & song.
- ❖ Your waterproof watch has water under the crystal.
- ❖ You give matching his and her Speedos as wedding presents.

Championships in Brief

USMS SC Nationals

Twelve swimmers from our LMSC attended the Short Course Nationals held in Tempe, Arizona. There were 1824 entries. Charlie Moss of Midland was the High Point winner in the Men's Division with 51 points. The High Point winner in the Women's Division was Edith Glusac with 47 points.

Once again "The Young at Heart" shine through for Michigan.

YMCA Nationals

Michigan was represented in Indianapolis by *fifty-one* swimmers. Overall there were 700 entries. The Plymouth YMCA Women's team took First place in the Small Team division, with Edith Glusac once again the High Point winner. She accumulated 77 points. Dave Shepherd was the Men's Division High Point winner with 74 points.

Congratulations to one and all !!

Scoring: Pentathlon and crescendo winners will be determined by adding the times achieved in the relevant events (5-second penalty for each disqualification). Michigan Masters ribbons will be awarded to the 1st, 2nd, and 3rd place overall winners in each age/gender group.

Meet Director: Wally Dobler, (517) 372-8096.

Eligibility: Swimmers must be registered with USMS, with either a 1994 or 1995 registration card. Michigan swimmers may complete the registration process at the meet (\$25 fee).

Entries: Enter by mail before Friday, December 2. We need your entries prior to the meet so that we can enter names into the computer in preparation for scoring the pentathlon and crescendo. Deck entries cost extra! Deck entries will not be accepted after 9:30 on December 11.

★ 1994 POSTAL PENTATHLON SWIM MEET ★

Approval: By Minnesota LMSC for USMS Inc. # 304 13

Eligibility: Open to all registered masters swimmers for the 1994 or 1995 season

Conduct of Meet: Participant swims the 5 events: preferably in a 25 yard pool, Butterfly, Backstroke, Breast stroke, Crawlstroke, and Individual Medley. All results will be based on a 25 yard course. Swims performed in meter pools must indicate that their entries are from a meter pool so their times are converted to a yard equivalent. The meet results will compare each event of the pentathlon amongst the participants. It is recommended that the pentathlon legs be swum in the order: Butterfly, Backstroke, Breaststroke, Crawlstroke, and then Individual Medley. The events must be swum during the same day and it is recommended that all 5 events be swum in a 2 to 3 hour period. Participants may swim the Sprint, Middle Distance, Ironman, or any combination of courses. If you desire to swim more than one course you should swim each course on a separate day. **All times must be recorded to the 1/100th of a second. Times not reporting tenths or hundredths will have 9's inserted for the missing digits.** The pentathlon must be swum from September 15, 1994 to December 15, 1994 and the entries must be postmarked by December 24, 1994, include a copy of your USMS registration card or foreign equivalent. **Incomplete entries will be returned and assessed a \$2.00 (US funds) administration fee. All fees are non-refundable.**

Age Groups: 19-24, 25-29, 30-34, 35-39, 40-44, 45-49, 50-54, 55-59, 60-64, 65-69, 70-74, 75-79, 80-84, 85-89, 90-94, 95+. Age will be determined by the swimmers age on December 15, 1994.

Awards: Winners of each age group will receive a special award. All participants may purchase a participation T-shirt for \$12.00 (US funds). XXL shirts add \$3.00 (US).

Entry Fee: \$5.00 (US) per course. Make checks payable in US funds to: **Postal Pentathlon Swim Meet.** All fees are non-refundable.

Jackson Y-Center Short Course Masters Swim Meet
Sanctioned by Michigan Masters for USMS Inc, Sanction No. MM199509

Sunday, January 29, 1995 at the Jackson Y-Center
127 Wesley Street, Jackson, Michigan

8:30-9:45 AM Check-in and deck entry

9:00-9:50 AM Warm-up

| | 7. 50 Yard Backstroke | 15. 1000 Yard Freestyle |
| | 8. 200 Yard IM | 16. 1650 Yard Freestyle |

Swimmers are reminded to enter the water feet-first during all warm-ups and warm-downs. Diving is permitted only in designated sprint lanes. One lane will be reserved during the meet (except during the 1000 free and 1650 free) for warm-downs. There will be a break between the 200 Yard IM and the 100 Yard Breaststroke.

Entries: Cost is \$10.00 for mailed-in entries and \$15.00 for deck entries. We intend to seed and score this meet with a computer. Thus we request that as many swimmers as possible enter by mail so that we will not have to do a lot of data entry on the day of the meet. Mailed-in entries must be postmarked by January 23, 1995. Relays can be deck entered without penalty. A swimmer may enter 4 individual events and 2 relays. A swimmer may either swim the 1000 free or the 1650 free but not both. Entries should be mailed to:

William T. Reid, III
128 Marlboro Court
Brooklyn, MI 49230

Seeding and Scratches: Positive check-in is required for all swimmers and events so we can minimize the number of open lanes and give every swimmer good races. When swimmers check-in, they will be given their cards without heat and lane assignments. At the end of the check-in period, all swimmers who have not checked in will be scratched and the heats seeded. Seeded heat sheets will be posted in the pool area and all swimmers can mark their cards with their heat and lane assignments.

Swimmers who have entered the meet by mail and find that they are unable to attend can scratch by telephone. Scratches will be accepted at (517)592-8908 until Saturday Night at 9:00 PM. Scratches can be made at the day of the meet at (517)782-0537 from 8:00 AM until 9:45 AM. If you scratch by phone, we will refund \$6.00 of your entry fee.

Seeding will be slow-to-fast for all events. Some 1000 free and 1650 free swimmers may be combined into one heat if necessary to expedite the meet.

Eligibility: Only swimmers registered with the USMS for 1995 may compete in this meet. All entrants must show cards during deck entry (or check-in for swimmers who pre-entered). USMS cards can be purchased at the meet.

Refreshments: Refreshments including coffee will be available before, during and after the meet for the swimmers.

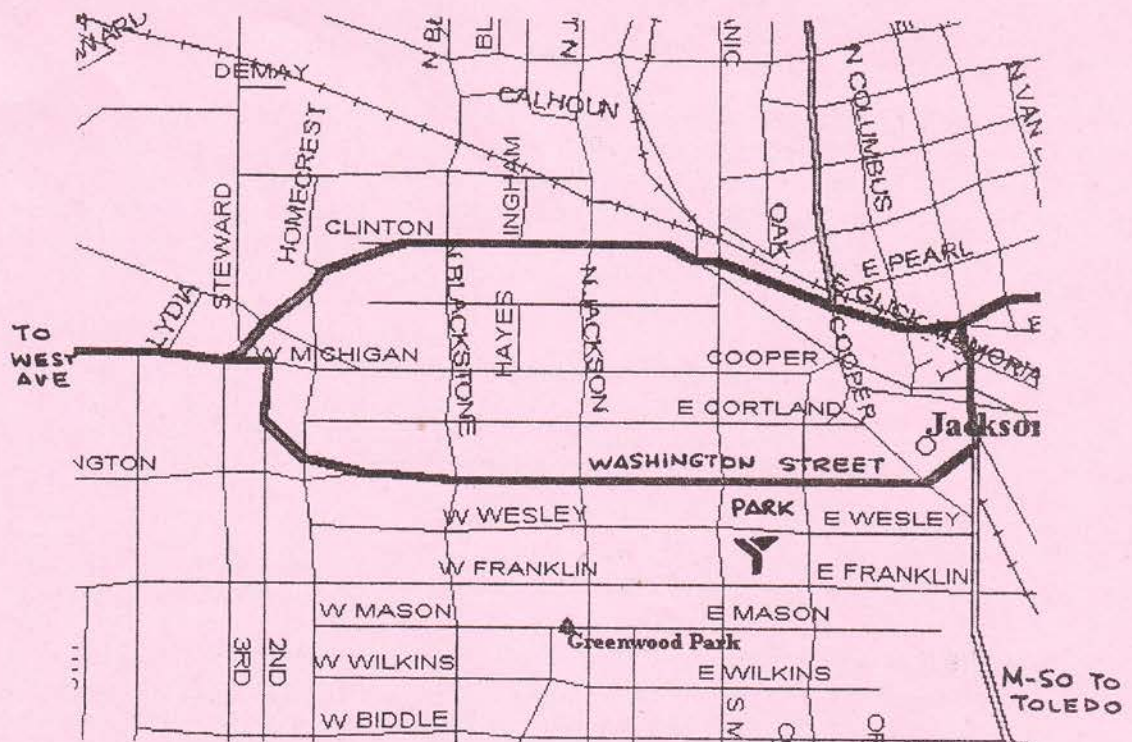

Timing, Awards and Results: Times will be taken by electronic timing equipment connected directly to the computer. Splits will be taken by the system and will be posted in the pool area with the final results. Awards will be Michigan Masters ribbons for first through third with computer-printed stickers. Results without splits will be printed in the Spring Newsletter. Mailed results with splits can be purchased at the meet for \$5.00

Directions: From the North, East or West
Take US-27 south (from the North), I-94 east (from the West) or I-94 west (from the East) to US-127 (Exit 138 on I-94). Do not take the US-127 South Exit on I-94 east of Jackson (Exit 141). At Exit 138 get off of I-94 going south. At this point, US-127 becomes West Avenue. Take West Avenue south into Jackson until the intersection of West Avenue and Michigan Avenue. Turn Left on Michigan Avenue and travel east until the road splits. Bear to the right and the road will become a one-way street (Washington Avenue). Pass two lights and just past a church (on your right), turn into a parking lot on your right. The Y-Center is south of the parking lot.

From the South

Take US-127 north or M-50 west to their junction. Take M-50 into Jackson. As you approach downtown, you will pass the Southridge Park apartments on your left. Turn left just past the apartments onto Franklin. Go one block then turn right onto Francis. Go one block then turn left onto Wesley. After you pass one stop sign, the parking lot for the Y-Center is on your right.
