ately, Edith Glusac, 75, just can't seem to stay out of the papers. If they aren't interviewing her about her place as an "ageless role model", they are giving her an award. For those of you who aren't certain whether or not you should compete, I suggest that you take a page out of Edie's book. She had not swum competitively since 1937, when she began again in 1990 and now her friends call her a "swimming junkie". During 40 years of teaching and administrating in the Detroit Public School, she put most of her energy into

### Why Are We Here?

We have just completed a very successful winter season of meets. much of the energy of our members went into running and/or swimming in meets. Now that the winter season is past and before the summer meets begin, it is a good time to consider why we swim.

Nobody (that I know of anyway) is on scholarship anymore. We aren't getting school letters (although some of us still make All-American). I believe that the most important benefits of swimming are health, stress reduction and recreation. If it isn't FUN we are all too busy to do it!

Now is a great time to try some "new tricks". If you swim mostly (in my case, always) freestyle, try swimming IM's. If your butterfly is too weak to enjoy IMs, wear FINS! Try swimming Long Slow Distance (LSD). If you can slow down enough you might be able

The Lawrence and The Chetrick Awards given at State Meet

## David Shepherd and Bob Isbister Receive Awards

**E**ach year at the State Meet two awards are given out. The first one is the Lawrence Award for outstanding performance representing Michigan Masters. The second award is the Chetrick Award which is awarded for outstanding service to Michigan Masters.

This year the Lawrence Award was awarded to David Shepherd for outstanding performances from 1991 through 1993. A few of David's accomplishments are as follows:

5 National Championships at the 1993 USMS Long Course Nationals in Minneapolis, 5 First Place finishes in the 1993 LC Top Ten, All American Swimmer in '91, '92 & '93 and Long Distance All American in 1993. He also has set 17 state records in '92 & '93 that are still standing. He was the 1992 YMCA National Champion in the 500 & 1650 free and the 200 fly, as well as finishing 2nd in the 800 free at the '92 World Championships. Great swimming Dave and good luck in the future.

David Shepherd

**T**he Chetrick Award went to Bob Isbister for his service to the LMSC from 1987-94. Some of Bob's accomplishments are as follows: He has been the meet director of the Brighton meet from 1988 through '94, this being the largest meet outside of the State meet. He acted as Assistant Meet Director of the 1990 Zone meet and Co-Meet Director of the Dearborn LC meet, from '88 through '91.

In addition, he has been the Top Ten recorder for both men and women from '88 through '93. Not only did he computerize all three courses (SCY, SCM & LCM) but he also started the SCM records. Thank you for all the paper pushing, Bob... we know it's extremely time consuming.

## Retired Fitness

## Donald May Eyes Swimming

**T**his seems to be the time of year when the press finds space for those involved in swimming, providing they aren't under 60. Dr. Donald May opened the Kalamazoo Gazette the morning of the State Meet to see himself "looking out". The Gazette featured Don, who began swimming at the Kalamazoo Y when he went into semi-retirement. Dr. May, at 73 stays professionally active by working with the Visiting Nurses Hospice program as well as serving on the boards of several nursing homes and other organizations.

Having swum at Kenyon College as an undergraduate Don is no stranger to competition. This year in addition to local meets, he competed at the State meet. From there he went to the YMCA Nationals in Indianapolis, followed by a trip in May (13-16th) for the USMS Championships in Tempe, Arizona. And last, but certainly not least for the short term, he'll be participating in the Michigan Sr. Olympics in Holland in late June.

coaching swimming. In 1990 she took a water aerobics class and found it too dull. After finishing a 50-meter swim feeling good, she decided maybe she'd compete. She's been involved with Masters Swimming and Senior Olympics ever since.

On May 21st Edith was honored with four other alumnae of Wayne State at the 28th Annual Headliner Awards Luncheon. Headliner awards have been given since 1967 to Wayne State University Alumnae whose achievements have rated headlines in the public press the preceding year.

*Congratulations Edie and  
Good Luck at the

### Swimming at 60

## Lansing Master in the News

**P**rior to the State Meet the Lansing State Journal did an article on Wally Dobler entitled, "Dobler makes a Masterful Splash". In the article, Wally stated two things that seem to ring true for many Masters swimmers. First was in response to setting two records in the Grand Rapids meet in the 60-64 age group. He said, "Records are there for the taking if you want to work to get them." The two records that he broke had stood, respectively, since 1979 and 1988. They were the 50 yd Butterfly, with a time of :28.31, breaking the old record of :30.84 and the 100 yd fly at 1:04.92 vs. the old of 1:07.92. He also said that, "People all around seem to peak at the

### Recycled Awards

## "Awards Across America"

**T**he Dixie Zone of USMS is establishing a program to recycle unused and unwanted awards to agencies and groups which represent the disabled and underprivileged. Here's **YOUR** chance to help.

The power of hope  
upon human

Do you have a box FULL of awards, sitting around, just collecting dust? Or as Meet Director, good you have any awards you'd like to put to good use? Although medals are preferable, any type of award can be passed on to these organizations.

Are you aware of any agencies or groups who might benefit from this program? Examples of potential recipients are local Special Olympic groups, nursing homes, Boys' Clubs, Big Brother/Little Sister and inner-city programs.

Thanks for reaching outside of Masters' swimming to help those in dire need of a little recognition. If you can be of assistance, please mail your awards or information to:

### Increased Registrations

## LMSC Has Growth Spurt!

**T**he 1994 swimming season for Michigan Masters has been a season for growing. Most of our meets had more participation than last year, including the State Meet which topped out at **313** this year. **Making it the largest State Meet in the history of Michigan Masters Swimming.** Last year we had 250 swimmers at State. This is the second year of seeing our state registration on the INCLINE after a decline which began in 1988.

1988	521
1989	491
1990	496
1991	475
1992	404
1993	452

So far this year, we have 473 registrations, well on our way to our goal of 500. At the time of the State Meet we were 16% ahead of last year's registrations at the same time. If we continue at that rate, we should top out at 524, just above the count for 1988.

Meanwhile, USMS registrations nationwide are on the rise. In fact the USMS Registration Committee is ready to **grandly acknowledge** to 30,000th swimmer to register. The '93 USMS registration count was 28,108 and they are projecting 30,918 registrants in '94.

## STATE MEET

(con't from p. 4)

## Rockford to Host '95 State Meet

**T**he 1995 Michigan Masters State Meet to be held in Rockford (just north of Grand Rapids) is now being planned. We'd like your input. Please read this carefully and **RESPOND BY USING THE COLORED POSTCARD ENCLOSED WITH THIS NEWSLETTER.**

We have tentatively set the dates for the meet on Friday, March 31, Saturday, April 1 and Sunday, April 2. We originally considered April 7, 8 and 9, but Palm Sunday falls on the 9th. However, if we get enough responses favoring the 7th-9th dates we will reconsider those dates. Also, you may want to look at when Spring Break occurs, if that is a concern to you.

Assuming that we hold the meet on the 31st, 1st and 2nd we want to offer swimmers the opportunity to swim some of the distance and open events 1 week prior to the meet. We are interested in your opinions about swimming these events either on Saturday, March 25 or Sunday March 26th. If you have a preference **PLEASE RESPOND BY USING THE COLORED POSTCARD ENCLOSED WITH THIS NEWSLETTER.** We'd also like to know your preference of swimming these pre-meet events at Rockford or the University of Michigan.

The National registrar is keeping track and when the 30,000th member's name crosses their screen the wheels of celebration will begin to turn. The 30,000th member will receive at least:

- 1.a personal call from the President of the USMS*
- 2.his/her picture in Swim magazine*
- 3.a commemorative certificate proclaiming this honor and*
- 4.a free 1995 membership renewal!*

In addition, the registrant's LMSC will receive special recognition as well.

Please take time to look through the *"Missing but not Forgotten"* list and see if you know any of these people. If so, please contact them and/or let me know what their current address is and we'll get a notice out to them. With luck, maybe we'll have the 30,000th USMS registrant and some added fun right here in Michigan!!

### ROCKFORD (con't)

Finally, please send any additional comments or suggestions relative to the 1995 State Meet. These can include items like - set a definite afternoon starting times that are not dependant on the ending time of the morning events, types of food you'd like to see offered at the concession stand, would you like to see another "swim oriented" retailer on-site like at the U of M, a video room for kids, etc. We welcome all useful ideas. If you have any questions, please call:

Why ride

Triathlete?

**D**uring the winter months, most triathletes and some swimmers can be found indoors on Stairmasters, building their legs before the summer season. Several members of FAST take this practice one step further. On February 5, Geoff Fletcher, Dave Riemenschneider, John McAuliffe and Paul Wright were found at the Renaissance Center for the annual *climb to the top*. There are 72 STEEP flights, totaling 1164 steps. In addition to time, this event checks power in a figure of HP derived from Weight vs. Time. Geoff arrived in 7:46. @ at average HP of 0.5123, after running a relay leg for another team, Dave made it to the top in 8:27 @ 0.5126HP. According to Paul, John came in around 15 minutes and Paul admitted to finishing "the ordeal" in 15:23 @ 0.2830 HP. Again to quote Paul Wright, "I can see why this is a perfect fund raiser for the American Heart Association."!

**T**here are just a few things that I would like to comment on. First and foremost we would appreciate it if you would all take the time to read about the "Rockford Hosts State Meet", "Michigan Swim" and the "Michigan Swimming Meet Circuit" and cut apart the two postcards included, fill them out and send them in. It will take a minimal amount of time and the people involved in these three projects would really like input from as many people as possible!

Secondly, I would like to thank those of you who ordered "Complete Results", for your patience. In the case of the "open" events, and all deck seeded events (1000, 1650, 500 & 400 IM) that were swum in the pool with the Colorado timing system, we had to input all of the splits by hand. Which, in the case of the 1650 meant 32 splits per swimmer. Unfortunately, this is a process that Bill and I do together to insure correctness, and (con't on p. 7, col. 2)

## State Officers

## Nominations Anyone?

**1** 995 is an election year for Michigan Masters. We will need nominations for the positions of President-Elect, Secretary, Treasurer and Registrar. These terms would be two year terms and they currently begin at the time of convention (in the fall). This slate of officers would work with President Andy Donato (the current President-elect). As we continue in our goal to get more people involved in Michigan Masters we hope that you will let Andy know of your interest to run for an office, or of someone you feel would be good for one of the positions. Our hope is to run a list of nominations in the Winter newsletter (or at the least, the State Meet Heat Sheets), with a little about each of them, so when voting time comes they won't be total strangers.

Please send names of interested parties to Andy Donato, his address is as follows:  
355 Connecticut,  
Marysville, IN  
48040.

This space is being used to once again ask for input from any and ALL members. As you can see, this newsletter takes on a life of it's own.

## Office Changes Hands

## Sanctions Chairman

**D**ue to new responsibilities as the Chairperson of Michigan Swimming Gail Dummer resigned as Sanctions Chair. Essentially her last duty before resigning was to sanction the State Meet. *We thank her for her time and expertise.*

Bill has spent 99% of the last 2 months out of town on business. *Again, thanks for your patience.*

Last but not least, anyone who wants to run a meet this coming fall and winter needs to get dates picked and cleared and their meet announcements (for the fall) to Mark Lambert to be sanctioned.

I'd like to thank everyone for their cooperation and help at the State Meet and in getting this to me for this newsletter!

Thanks-

### Cumulative Scores

## Michigan Swimming Meet Circuit

**E**ver wondered who attended the most meets? Ever wondered who scores the most points over the winter meet season? This program will recognize the swimmers whom we see weekend after weekend on the blocks.

Beginning with the first Michigan meet in the fall of '94 and ending with the last Michigan meet before State, we will log the scores of all Michigan Masters Swimmers who sign up for the circuit. Swimmers will score 5 points for each first place finish, 3 points for second and 1 point for a third place finish. (Maximum of 4 swim permitted per meet.) For attending smaller meets or NEW meets (Grand Rapids Jr. College, Harbor Springs, Rockford, East Kentwood ) swimmers will score ten extra points. We will announce the scores and winners (by age group) at the 1995 State Meet at Rockford. Age group winners will get Michigan Medals, "T-Shirts", Cap or Towel. (I want a CHOICE here; see swimmers response card attached.) Swimmers can sign up for the circuit beginning with the Fall Newsletter. The sign-up period will END with the Lansing Meet (or whatever meet is in December if Lansing doesn't run their meet). Please fill out and send in the swimmer response card with your suggestions for awards for the circuit as well as suggestions about the program.

Mark was the person who offered a bid for the State meet to be at U of M next year. He is indeed, the Facility Manager of Canham Natatorium.

## FITNESS

## SWIM MICHIGAN

**T**he time has come to do something that involves those of you who put in time in the pool day after day, week after week and for some of whom could care less about all of these meets and competing and such. In the fall, I hope to start a program called, "Swim Michigan". There will be four to six destinations layed out and swimmers participating will be asked to keep track of their mileage (yardage) (on form we will supply) from October 1st to March 1st. There will be a small fee, for which you will receive a certificate and a T-shirt. The awards will be handed out at the State Meet. Your T-shirt will be based on your greatest destination.

On the card that was in the front of the newsletter, please give me an idea of your weekly yardage and /or any suggestions you have about the program. It will not be divided into age groups and **there are only participants, not winners or losers.**

to encounter the "runner's high"! If you have access to an outdoor pool, try swimming outside. Watching the sparkles on or under the water or watching the wave patterns and shadows on the pool bottom are treats not offered to indoor swimmers. Maybe this summer is your summer to try a lake swim, or a triathlon.

We are all (hopefully) exercising for the long term. Your officers in the LMSC are working to find events that will be fun, will help you to swim better and will motivate you to keep swimming. If you have any ideas for us, please call Phyllis or me. I hope that you will all have a GREAT summer, and that your exercise (in or our of the water) will be productive and fun!

Keep pushing the envelope Wally, someone needs to keep pushing the limits!!

## On the Light Side

IT' OUR WAY OR  
NO WAY!

**F**or those of you who are fairly new to Masters Swimming and have not figured out that the organization in general is fairly laid back, I have two stories to share with you.

The first one, it is my understanding, happened some years ago down in Texas at a Championship meet. The race being swum was the IM (individual Medley), in which the swimmer swims, butterfly, backstroke, breaststroke and freestyle... in that order. Well, there happened to be a "young at heart" lady swimmer who mixed up the order of the IM as she was swimming. As she was doing so, the officials on the pool deck went into a huddle. *Just how should they handle this situation?* Well... the consensus was that at 80 something, if she was going to swim the IM, she could swim it in whatever order she wanted! So much for "cut throat" competition.

The second story happened during a Michigan meet. The swimmers were on the block, and the starter was holding them until they stopped moving. Suddenly, one of the older swimmers went in. The official told everyone to stand up as he walked over for a conference with the swimmer in the pool. Almost before the official got to him, and definitely before the swimmer was out of the water he informed the official, "I never false start, I haven't false started since I was in high school. . . don't ever do that to me again!" The official went back to his post grinning and continued with the meet.

To our "YOUNG AT HEART" swimmers, I hope you know that I mean no malice and that we are VERY glad that you are a part of Masters. We only hope to be as active as you all are, when we are your age! (Besides we'd never get press coverage if it weren't for the seniors!)

As one Master who was going for a record at the age of 80 said, "Anyone can set records, you just have to live long enough!"

## Howell

NEW COMMUNITY  
AQUATIC FACILITY

*Editor's note: If you live or work anywhere near Howell you really should get over and check out this facility. It is a 25 yds by 25 meter pool with a nice small therapy pool. (Rumor has it that it is a FAST pool.) It has a glassed viewing area in addition to a bleacher area and nice large locker rooms. It's been open just about 8 months. They are very anxious to get a Masters group going in the fall. We had a preliminary meeting recently and had a core of about 10 people who seem very serious. (For those of you who swam mornings at Fuller Pool last summer, Larry Baran says while he misses the camaraderie there he's been working out at Howell). In addition, they and we are looking forward to a Masters meet there early in '95. So, if you get the chance check it out. There is a nominal fee (\$1.50 or so) but I think you'll find it worth your time!*

**"THEY SAY IT'S A FAST POOL"**

Howell, just west of Brighton has a brand new aquatic facility, which opened in November of 1993. The HowellArea Aquatic Center is in the process of forming a Masters' program, which will officially begin in the fall. We welcome you to come and swim at our facility during the fitness/lap swim times, listed below. We are looking forward to your participation. We plan to host a meet during the '94-95 season. Please contact Karen Pearson or Saralee Bloese at (517) 548-6355 for more information.

**Summer Fitness/Lap Schedule**

Mon., Wed., Fri.	6:30-7:30am
Tues. & Thurs.	6:00-7:00am
Mon. - Thurs.	5:30-6:30pm
Saturday	8:00-3:00pm

# Nationals' Network

At the Annual Membership meeting, at the State Meet, which was attended by 54 swimmers it was shown that those in attendance would be behind a bid for having the 1996 Masters' Long Course National Championships held at the University of Michigan. Even though this event is 2 years away, we need to begin thinking about where all of the support will come from. Below is a general (& preliminary ) list of committee descriptions. Please take time to look it over and think about the way in which you (and your family) can best support this event.

In the fall newsletter, there will be more information and we will ask for you to let us know by mail or fax, just how you can help.

**1. Registration - Entry:** Responsible for coordinating the publication & distribution of meet brochures & entry forms. Receipt and review of entries & will work with the Data Entry Committee on meet entries.

**2. Registration - Meet:** Coordinate large support staff to run check-in (meet, distance events and relays). Will work with Meet Condiments Committee to develop the complimentary meet packets.

**3. Officials:** Coordinate recruitment and scheduling of all meet officials and timers.

**4. Worker Hospitality:** Coordinate recruitment and scheduling of all runners in addition to the staffing and management of the hospitality room for officials & volunteers during the course of the meet. Work with Hospitality Procurement Committee.

**5. Transportation:** Responsible for coordination of a shuttle service from local hotels to the pool as well as from Natatorium to Fuller Pool (the warm-up facility).

**6. Housing:** Responsible for all contact with Meet Headquarters facility and all possible housing sites, developing a list of alternate accommodations, maps, restaurant listings, also coordinating meeting sites.

**7. Hospitality Procurement:** Contact and arrange for hospitality supplies for the Worker hospitality room. Coordinate with Worker Hospitality.

**8. Facilities Support Services:** Responsible for recruiting and coordinating security, parking and Medical Staff and working with the pool staff to ensure set-up and tear-down as well as coordinating communication for on-site personnel.

**9. Publications / Programs:** Responsible for organizing the sale of ads and layout of heat sheets (coordinating with Data Entry Committee) and heat sheet sales to non-participants. As well as, coordinating a daily publication of the day's events during the meet.

**10. Hospitality / Foreign Visitors:** Responsible for an opening ceremony, info booth, message center and distribution of daily news. Coordinate basic necessities for foreign visitors.

**11. Publicity:** Contact State and Local media regarding the meet, supply daily results and updates. Follow-up after meet.

**12. Meet Condiments:** Put together the contents of the complimentary meet packets. Solicit vendors / contributors for printed info and "give aways". Coordinate with Registration - Meet Committee for distribution and Facility Director for information about on-site vendors.

**13. Special Events:** Responsible for planning and coordinating "Swimmer Social" or other special events which would take place during the week.

**14. Awards / Souvenirs:** Responsible for the developement of the meet logo; souvenir and award manufacture, including collection of bids for production and distribution of awards and souvenirs at the meet.

**15. Michigan Relays:** Will put together the relay teams for the Michigan Team and coordinate those teams throughout the meet.

**16. Meet Management:** Coordinate with Facility Manager and staff to oversee and troubleshoot (all areas, as necessay) during the duration of the meet.

**If you know now how you would like to be involved, please fill out the form below and either FAX it to (313) 763-6543 or mail it to one of the following addresses:**

Listed here are swimmers who were registered USMS members in Michigan in 1992 & 1993, but have not registered yet this year. Please take time to look over the list and see if you know any of these folks. If so, please let them know that we are looking forward to a Fall full of meets in addition to the meets this summer.

If they would like to get involved with Michigan Masters again, please share a USMS registration form with them.

Since we are bulk mailing the newsletters now, they are not forwarded if a member moves. Consequently, it's easy to lose track of members who move without letting the registrar know.

Thanks for your help!

## GREAT-LAKES ZONE LONG-COURSE CHAMPIONSHIP MEET

O\*H\*I\*O MASTERS 1994 - LONG-COURSE SWIM MEET

CLEVELAND STATE UNIVERSITY NATATORIUM, CLEVELAND

JUNE 18 - 19, 1994

### DATE

Sat. June 18, 1994

Warmups: 5:00 p.m.. Meet: 6:00 P.M.

Sun. June 19, 1994

Start 9:00 a.m. for 400 Free, 9:30 a.m. or later for Event 8  
Warm-ups: 8:00 a.m. Deck entries until 9:00 a.m.

### NATATORIUM

The Cleveland State University Natatorium, 2451 Euclid Ave., Cleveland, OH, was designed by one of our members, Peter van Dijk, and is recognized as one of the fastest pools in the country. We are fortunate to be able to use this pool for our meet thanks to the generous cooperation of John Konstantinos, Director of Athletics at CSU, and Wally Morton, Director of Aquatics and Swim Coach. The pool is an 9-lane 50-meter pool, equipped with automatic timing and digital read-out board.

### LOCATION

To reach the Natatorium take I-90 to downtown Cleveland and exit at Chester Avenue. The Natatorium is located at this exit, just west of I-90. It is the large brick building behind the dome building, between Chester and Euclid Avenues. Parking will be ample and free on the weekend in the many University parking lots.

### SANCTION ELIGIBILITY

Lake Erie Association of USMS. Entrants must be registered with USMS. Registration forms for the Lake Erie Association will be available (\$ 18.00 fee). Membership in O\*H\*I\*O Masters \$17.00 more. Limit 5 individual events per day. Please send copy of USMS card with entry form. All relays can be swum with 4 Women, 4 Men, or Mixed ( 2 women and 2 men). Only swimmers entered in the meet, and belonging to the same USMS-registered Club can participate in relays.

### AGE GROUPS

Age of competitors on June 19, 1994 will determine age group. Age groups are: 19-24, 25-29, 30-34, . . . , 80-84, 85-89, 90+. For Relays: Age group is determined by the sum of the ages of the swimmers: 76+, 100+, 120+, 160+, 200+, 240+, 280+, 320+. Only registered Clubs can enter relays.

### AWARDS

Individual events: First-place medal, second, third, fourth, fifth, and sixth-place ribbons. Relays: first, second, and third-place ribbons. We have alternative awards for those who already have too many medals. More information at the meet.

### SEEDING

Heats will be formed by submitted times, regardless of age or sex, and progress from fast to slow to "No Time" and Deck Entries.

### DEADLINE

Entries must be received by June 11, 1994. Deck entries will be accepted until 9:00 a.m. on Sunday, except for Events 5, 6, and 7 (800/1500 m. Free and 400 m. Free). Relays can be deck-entered during the meet.

### FEES

Fees must accompany entry forms. Individual events: \$ 3.50, Timing Surcharge: \$ 5.00, Deck entries: \$ 4.50 per event. Relays can only be deck-entered: \$ 4.00 per relay. Make checks payable to: O\*H\*I\*O MASTERS SWIM CLUB and mail to: Pieter Cath, 35400 Bainbridge Road, Solon, OH 44139.

### MEET DIRECTOR

Pieter Cath.

### CSU HOSTS

John Konstantinos, Director of Athletics, and  
Wally Morton, Director of Aquatics and Swim Coach.

## GREAT-LAKES ZONE CHAMPIONSHIP

This meet is the Great-Lakes Zone Long-Course Championship meet. The Great-Lakes Zone of USMS includes the following Local Associations: Central (Illinois), Kentucky, Indiana, Lake Erie, Wisconsin, Ohio, Allegheny Mountain, West Virginia and Michigan.

### 1500 AND 800 METER FREESTYLE

Enter the 800 m. Freestyle only if you do not plan to swim the 1500 m. Freestyle. Everyone, who swims the 1500 m. Free will automatically be entered in the 800 m. We will use your 800-m. split as your final time. Needless to say, you will not be allowed to enter both the 800 and the 1500 m. Free. Also, no deck entries for these two events.

### OPEN EVENTS

We offer "Open" events on Saturday night to allow people to swim events that would otherwise be too close together on Sunday. A stroke swum in an open event may not be repeated the next day. Results of the open events are combined with the events of Sunday.

### MOTELS

The following motels are located downtown:

Sheraton Cleveland City Centre Hotel (216) 771-7600  
777 St. Clair Ave., Downtown Cleveland (800) 325-3535

(Legible copies of this entry form are acceptable. You must complete the reverse side of this form. YOU MAY ENTER SIX INDIVIDUAL EVENTS (OR FIVE INDIVIDUAL EVENTS, IF DEEMED NECESSARY BY THE CHAMPIONSHIP COMMITTEE) — BUT SWIM NO MORE THAN THREE INDIVIDUAL EVENTS ON ANY ONE DAY. Please indicate with an asterisk (\*) your 6th event in case the five event limit is imposed. If 6th event is not (\*) your last event listed will be considered your 6th event.

**Dates:** August 25-28, 1994 **Location:** Erie Community College Natatorium, Downtown Buffalo, NY (Elm & Swan St.)

**Filling Out Entry Blank:** There are no qualifying standards for this meet. Write your best time or a reasonable estimate in the space next to the event(s) you wish to enter. IF YOU ENTER "NO TIME", YOUR ENTRY WILL BE REJECTED. You may enter up to six individual events, but swim no more than three individual events on any one day. No refunds will be given for events not swum. Indicate your sixth event with an asterisk (\*) in case the five event limit is imposed: USMS Rule 104.5.3A, page 45. If 6th event is not (\*) your last event listed will be considered your 6th event.

**Eligibility:** This National Championship is open to Masters registered swimmers, 19 years of age and older as of July 21, 1994. You will be entered in the meet as a registered member of the club indicated on your Masters registration card (**a copy must be attached to your entry**) or you may also indicate unattached. If there are any questions about your affiliation, you will be entered "unattached." Foreign swimmers require a travel permit with entry.

**Conduct of the Meet:** The Meet Brochure has details of meet conduct. All events 200 meters and under will be pre-seeded. The 400 IM, the 400, 800 and 1500 freestyles will be deck seeded.

**Deck Seeded Events/Check In Times:** Your entry DOES NOT automatically seed you for these events. You must check in before the deadline times listed:

Legible copies of this entry blank are acceptable. You must complete the reverse side.

**Dates:** August 25-28, 1994 **Location:** Erie Community College Natatorium, Downtown Buffalo, NY (Elm and Swan St.)

**Relay Eligibility:** Each relay swimmer must be a registered Masters swimmer. Each of the four members of any relay team must be properly registered with the same Masters club as the other three. The club and the swimmers must all be registered with the same Masters Swimming Committee. **"Unattached" swimmers may not swim on relay teams.** Relay entry is in addition to the individual events. A swimmer may swim each relay event only once (limit of 4 relay events per swimmer).

**Relay Representative:** Designate on the reverse side of this form the person who will be responsible for picking up, filling out, and returning your club's relay cards each day and claiming any awards for your club.

**Awards:** Customized medals for places 1st through 10th.

**Age Groups:** 76-99, 100-119, 120-159, 160-199, 200-239, 240-279, 280-319, and 320-359 with the aggregate age of the four relay members determining the age group of the relay. Ages are determined in whole years as of the last day of the meet (August 28, 1994). **Relays in any age group that include swimmers between the ages of 19 and 24 are not eligible for World Records; however, they will be considered for USMS National Records.**

**Relay Scoring:** Men, Women, Mixed — 22, 18, 16, 14, 12, 10, 8, 6, 4, 2. Points from mixed relays shall count under combined score only.
